Step 7

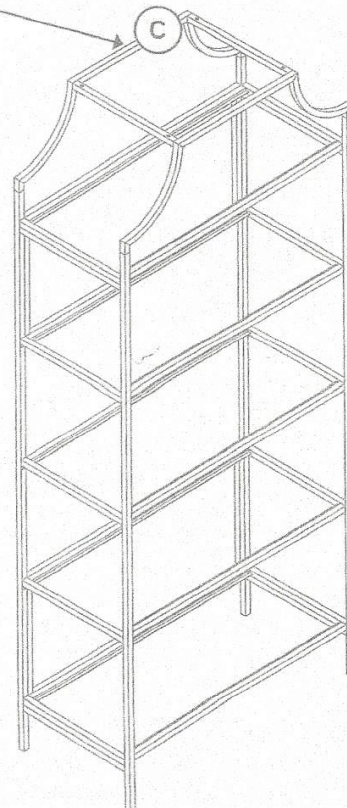

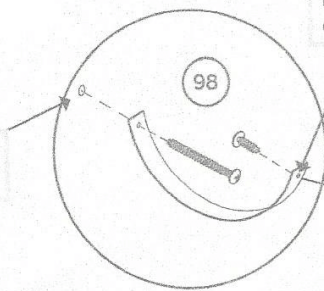

-  Carefully stand your unit upright.
-  Use the FURNITURE TIPPING RESTRAINT KIT (98) for added stability. Fasten the strap to the back edge of the REAR TOP (C) using the short screw as shown.
-  Place your unit in its final location against a wall. Locate the center of a stud in your wall near your unit and mark it with a pencil. Next, drill a 1/8" hole on the mark and into the stud in your wall.
-  Fasten the unit to the wall. Use the long screw through the other end of the strap and into the 1/8" hole.

If you're doing this to help a friend, don't leave without a bite.

Drill this hole into a stud in your wall.

Use the short screw through the hole in the strap and into the back edge of the REAR TOP (C).

Step 8

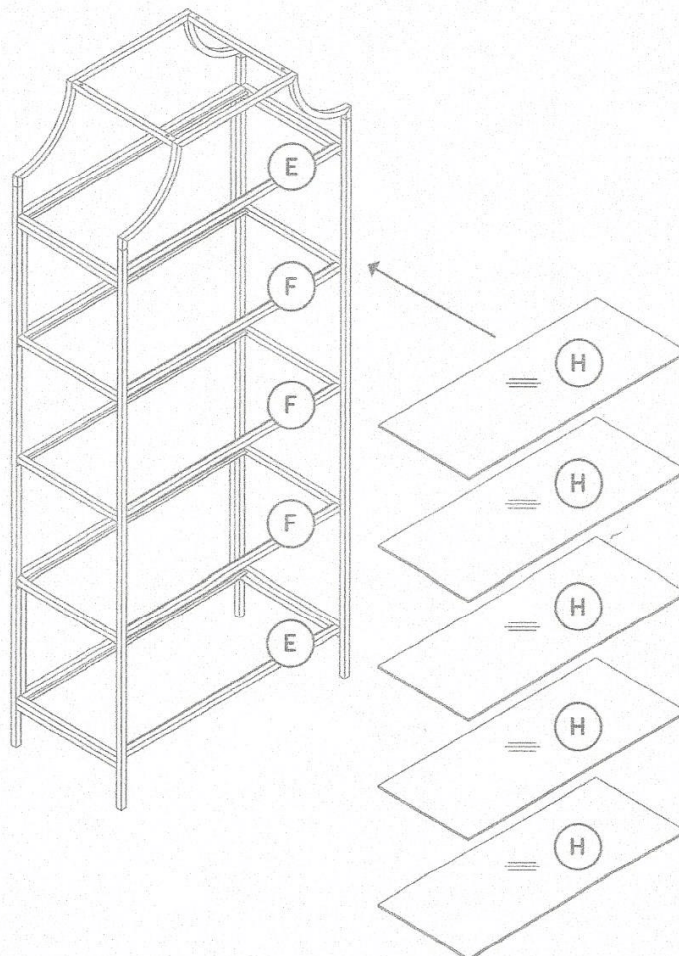

Caution

Tempered safety glass is used. It is stronger than normal glass, and it will not break into long, sharp, knife-like shards. However, safety glass **can break**. When safety glass breaks, it instantly fractures into small, bead-like pieces. These small pieces may have sharp edges.

For your safety, follow these precautions when you assemble your product:

- Wear safety glasses or other eye protection.
- Do not try to drill into or cut safety glass. It will instantly break into small pieces.
- Do not force the glass into position.
- If the glass breaks, be careful when you pick up the pieces. They may have sharp edges.

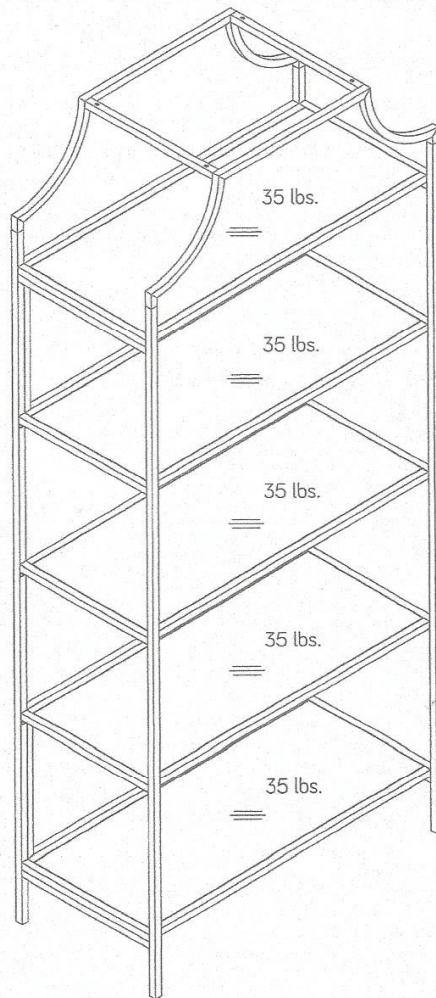

-  Insert the GLASS SHELVES (H) into your unit so they rest on the SHELVES (E and F).

Step 9

- ⌘ **NOTE:** Please read the back pages of the instruction booklet for important safety information.
- ⌘ This completes assembly. Clean with a damp cloth. Wipe dry.

CARE INSTRUCTIONS

BOOKCASE

Thank you for your purchase. Our items are intended for residential use only.

To clean and maintain your furniture we recommend dry dust with a soft clean cloth.

Do not use harsh chemicals to clean your furniture as this could damage the protective top coat and/or finish
