

Collection: Zara

Fixture Type: 4-Light Chandelier

**Description:**

The Zara lighting collection by Feiss creates a whole new aesthetic with Brushed Steel squares and rectangles which are all hand-welded in random patterns to create a unique, contemporary shade coupled with an inner shade or diffuser with a Silver Organza finish to soften the light. The distinctive design details are grounded with solid, squared-off arms to add to the substantial silhouette of these light fixtures.
