

ASSEMBLY INSTRUCTION

Modular Sofa

PLEASE READ BEFORE ASSEMBLY

1. Follow the assembly steps in order; do not skip any.
2. Assemble in a spacious area, away from infants and children. Protect the floor with packaging material before starting.

CAUTION

1. To ensure safe transportation, the product has been vacuum-compressed and may take up to 3-7 days to regain its original shape.
2. When cleaning, please use a soft cloth to gently wipe the surface or use professional cleaning supplies. Avoid using chemical agents or abrasive cleaners.
3. During use, please do not exceed the product's maximum weight capacity. Exceeding this limit may damage the product or pose a risk of injury.
4. For safety reasons, do not leave infants unattended on the product to prevent any risk of harm, such as suffocation.
5. The product may differ slightly in appearance from the assembly illustrations.
6. The packaging contains plastic bags. Keep them away from infants and children to avoid suffocation. After unboxing, dispose of the bags immediately; do not reuse them.

RETURN POLICY

We understand that you may have concerns about returning the product due to its vacuum-compressed nature. Please note that once the product is unpacked and expanded, it cannot be re-compressed to its original state for return. However, if you encounter any issues or are unsatisfied with your purchase, we are here to help. Please contact us through your order page, and we will assist you with any concerns or provide further instructions.

please take all packages out and pat every part to make it rebound better and fluffy, so that it can restore to picture-like status.

1. repeatedly tap the sides and front and back to make it rebound better and fluffy.
2. knead your cushion like giving your cushion a massage while allowing the air to flow through the foam.

 Please remove the accessory box from the armrest **B** before installation.

 **Caution**

Two people are recommended for safe and efficient assembly.

Before assembly, ensure the floor is clean and free of debris to prevent soiling, especially for light-colored upholstery.
