

COVER OVERVIEW

Protect your furniture

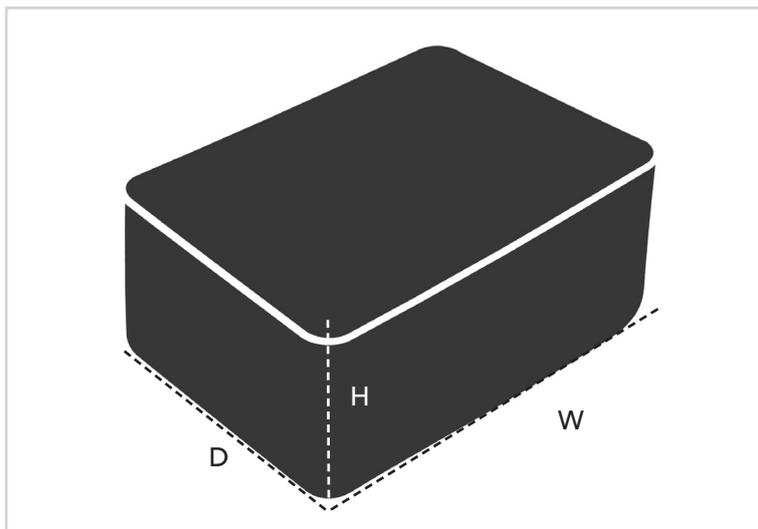

Cane-line outdoor furniture is weather-proof, but changing weather and falling leaves leave their marks. By using protective covers, you can save time on cleaning. Keep your furniture looking sharp and prolong their lifetime.

Cane-line covers are made from a strong, waterresistent, solution-dyed polyester fabric, which will protect furniture during the Winter, though not against frost. Covering furniture for the Winter makes Spring cleaning easier and prolongs the life of the furniture. It is advisable to check covers after heavy falls of rain / snow and remove any water that has collected to ensure that the furniture remains properly covered.

MAKE SURE NOT TO COVER WET FURNITURE. DRY BEFORE COVERING
