# Overview

## IMPORTANT :

- Read the instructions carefully from cover to cover.
- Do not assemble on flooring or carpet.
- Assemble on a clean non-marring surface (packing foam).
- Save all packaging until finished.
- Do not tighten bolts / screws completely until all bolts / screws are lined up and inserted into holes.
- Do not over tighten screws and bolts to avoid stripping.
- Please always use hand tools to assemble this product and never use power tools.

Step 1

|                                                                                    |                   |      |                                                                                    |             |      |                                                                                    |             |      |                                                                                      |              |     |
|------------------------------------------------------------------------------------|-------------------|------|------------------------------------------------------------------------------------|-------------|------|------------------------------------------------------------------------------------|-------------|------|--------------------------------------------------------------------------------------|--------------|-----|
|  |                   |      |  |             |      |  |             |      |  |              |     |
| N                                                                                  | Ø1/4"×1-3/4" bolt | 6PCS | O                                                                                  | flat washer | 6PCS | P                                                                                  | lock washer | 6PCS | H                                                                                    | Allen Wrench | 1PC |

Step 2

|                                                                                     |           |       |
|-------------------------------------------------------------------------------------|-----------|-------|
|  |           |       |
| Q                                                                                   | Cam bolts | 14PCS |

Step 3

|                                                                                    |           |       |
|------------------------------------------------------------------------------------|-----------|-------|
|  |           |       |
| R                                                                                  | Cam locks | 14PCS |

Step 4

|                                                                                     |            |      |
|-------------------------------------------------------------------------------------|------------|------|
|  |            |      |
| G                                                                                   | wood dowel | 1PCS |

## Step 5

## Step 6

|                                                                                     |        |      |
|-------------------------------------------------------------------------------------|--------|------|
|  |        |      |
| F                                                                                   | Buffer | 4PCS |

Step 7

|                                                                                    |            |      |
|------------------------------------------------------------------------------------|------------|------|
|  |            |      |
| G                                                                                  | wood dowel | 1PCS |

Step 8

|                                                                                     |                  |       |
|-------------------------------------------------------------------------------------|------------------|-------|
|  |                  |       |
| D                                                                                   | M3.5x15mm screws | 24PCS |

Step 9

|                                                                                    |                            |     |                                                                                    |                |     |
|------------------------------------------------------------------------------------|----------------------------|-----|------------------------------------------------------------------------------------|----------------|-----|
|  |                            |     |  |                |     |
| A                                                                                  | Larger cuts for side doors | 4PC | C                                                                                  | Ø4x14mm screws | 8PC |

Step 10

|                                                                                     |                                      |     |                                                                                     |                |     |
|-------------------------------------------------------------------------------------|--------------------------------------|-----|-------------------------------------------------------------------------------------|----------------|-----|
|  |                                      |     |  |                |     |
| B                                                                                   | Smaller cuts fit in the middle doors | 4PC | C                                                                                   | Ø4x14mm screws | 8PC |

Step 11

|                                                                                    |                |      |
|------------------------------------------------------------------------------------|----------------|------|
|  |                |      |
| C                                                                                  | Ø4x16mm screws | 16PC |

Step 12

|                                                                                     |                |      |
|-------------------------------------------------------------------------------------|----------------|------|
|  |                |      |
| C                                                                                   | Ø4x16mm screws | 16PC |

Step 13

Step 14

Step 15

Step 16

## Step 17

**Note: the legs can be adjusted with adjustable leveler.**

Your Item is ready for use.  
This Item should only be used on a flat, level surface.

## **Care & Maintenance**

- Furniture may scratch the floor. We recommend using furniture pads to protect your floors.
- Do not put hot items directly on furniture surface.
- Do not clean furniture with harsh cleansers or polishers.
- Do not place furniture under direct sunlight.
- Do not place furniture near heating or cooling vents.
- Do not expose the product to high temperatures or humid environments.
- Do not write on furniture without a padded barrier to protect the surface.
- Do not place furniture outside. For indoor use only.
- Stains may be removed with mild soap solution and damp cloth.
- Children should not climb or jump on the furniture.
- Dust and clean up spills using a clean, non-colored, lint-free cloth.
- Regularly check screws to ensure stability.
