

Installation manual

Notes:

1. Open the package and check that the number/code of boards and hardware is complete according to this instruction manual.
2. Follow the picture in the instructions, assemble it step by step and in order ((Tips: Note that the boards and holes are aligned as shown in the picture).
3. If you have any questions, please contact our customer service immediately (you can go into your account to find your order, and there will be a section to contact customer service or "contact seller" on order page).

General Guidelines

- Please read the following instruction carefully and use the product accordingly.
- Please keep this manual and hand it over when you transfer the product.
- This summary may not include every detail of all variations and considered steps. Please contact us when further information and help are needed.
- If there are any defective or missing parts after unpacking, please cease assembly and get in contact with us immediately.

Notes

- The product must be assembled and used in accordance with the provisions of the manual.
- There may be some odour after unpacking the parcel, please put this item in a ventilated place for a few days and the odour will dissipate.

Warnings

- During the assembly process, keep any small parts out of the reach of children. It may be fatal if swallowed or inhaled.
- To avoid the potential dangers of suffocation, please keep all parts and packaging (films, plastic bags and foam, etc.) away from babies and children.
- Do not stand or sit on the product.
- Never touch with sharp objects or corrosive chemicals, which may damage the surface of the item.
- Do not expose product to direct sunlight or rain; and do not put it in a humid place.
