Please measure the door size and depth of pantry space before installing the shelf

Step 1 Connect the support rods A,B,C

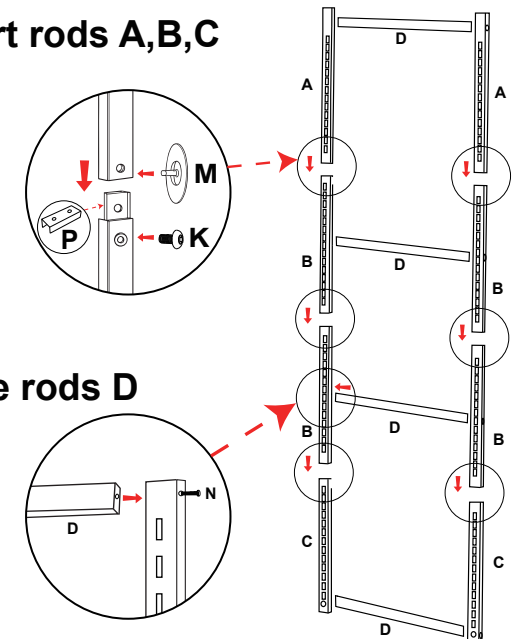

1.1 Using connector P to connect the support rods A, B, C; align with the small holes then secure those support rods with sticker M and short screw K

1.2 Fix the sticker L at the top of support rod A and the bottom of support rod C

NOTE: Please place the part A at the top, part B at the middle and part C at the bottom

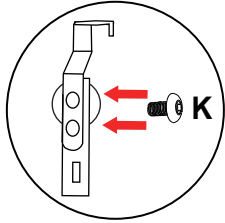

Step 2 Connect the middle rods D

Please connect the middle rods D with long screw N

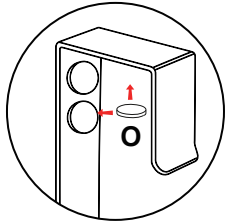

Step 3 Choose one of the following two methods

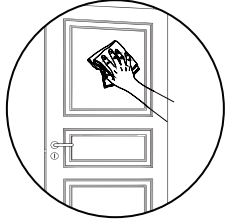

Hang on the door

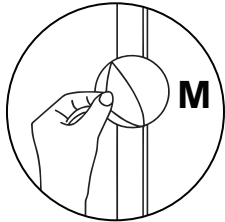

3.1 Please connect support rod A and part J with short screw K

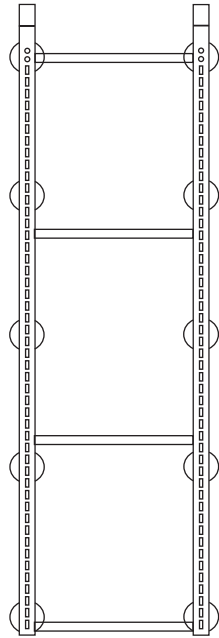

3.2 Stick O to protect your door

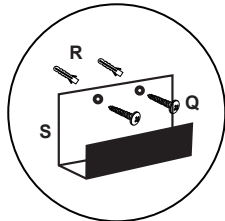

3.3 Clean the door surface thoroughly, ensuring it is free from any moisture

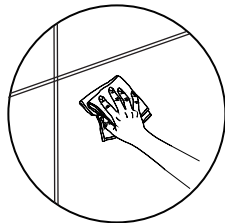

3.4 After hanging it on the door, tear off the protective film and stick it on the door

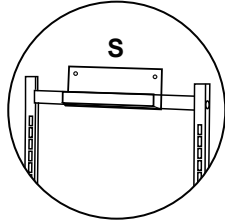

Wall mounting

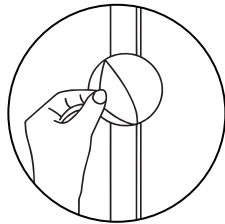

3.1 Please fix the part S to the wall with part R and Q

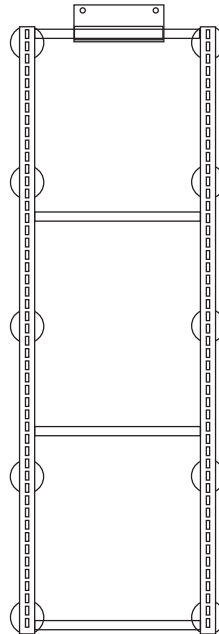

3.2 Clean the wall surface thoroughly

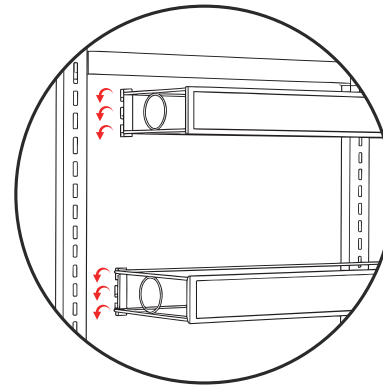

3.3 Hang the rack on the part S

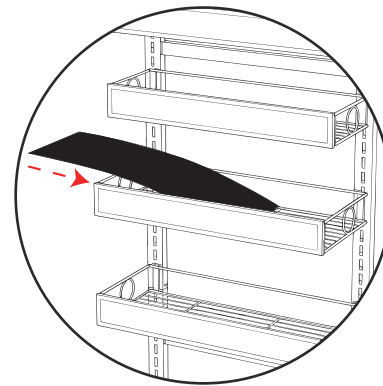

3.4 Tear off the protective film and stick it on the wall

Step 4 Install the basket

4.1 Insert the basket into the hole and press it downward to lock it in place

4.2 Place the bottom mat I
