Assembly Guide

IMPORTANT: please read these instructions fully before starting assembly

**SAFETY AND
CARE ADVICE**

NO POWER TOOLS

- Check you have all the components and tools listed
- Remove all fittings from their bags and separate into groups
- We do not recommend use of power tools - this could damage the unit. Only use hand screwdrivers and Allen keys
- Keep children and animals away from the work area, small parts could cause choking if swallowed
- Make sure you have enough space to lay out the parts before starting
- Assemble the item as close to its final position (same room) as possible
- Do not over tighten the nuts to avoid damage to the threads
- Only clean using a damp cloth and mild detergent. Do not use bleach or abrasive cleaners
- Do not allow children to climb or play on this product. From time to time, check there are no loose screws in this unit
- This product should not be discarded with household waste. Take to your local authority waste disposal centre
- Unless otherwise stated, this product is designed for domestic use and is not certified for commercial or contract settings

STEP 4

If needed, adjust the drawer level as shown.

STEP 5

NOTE: To open the drawer, push the center of the drawer front inward.

Looking Good!

Now you've assembled your furniture, find out how to care for your item and keep it looking brand new.

Product Care Guide

Product Care Handbook A Guide to Protecting Your Product

Caring for PUX LEATHER

To preserve and maintain the appearance of your faux leather, apply a "little and often" approach to cleaning.

Stain marks can accumulate through regular use. We recommend using a soft, clean cloth with water and a small amount of gentle washing up liquid to remove a stain.

Before using the cloth before avoid soaking the surface. Follow up by thoroughly drying the surface with a dry cloth.

Always use a soft, circular motion when cleaning your product. Aggressive scrubbing can cause surface damage.

Avoid the use of harsh detergents such as bleach as these can cause fading or discolouring.

To preserve the appearance of the velvet, gently vacuum the product with an upholstery attachment once a week.

Alternatively, carefully use a soft-bristled fabric or clothes brush to gently smooth the fabric and remove surface dust. Take care to only brush in the direction of the nap of the fabric.

Velvet can be prone to marking, so be sure to avoid placing anything heavy or hard-edged onto your product for prolonged periods of time. Should

caring for VELVET

your velvet product start to show pressure marks, these can easily be removed through lightly steaming or brushing the affected area.

Take extra care to prevent your velvet product from coming into contact with any liquids. In the event of spillages, gently blot the liquid away with a soft, clean cloth. Do not rub the affected area or you risk damaging the appearance of the velvet.
