

2 PCS Floating Nightstands

Assembly Instructions

Read Carefully Before Use
Keep for Future Reference

Safety Information

- Avoid placing heavy or bulky items to prevent tipping or damage.
- Position the nightstand away from heat sources and flammable materials to reduce the risk of fire or safety hazards.
- **AVOID** placing fragile or hazardous items within easy reach of children.
- Choose a location where the nightstand does not obstruct the opening and closing of doors or windows and allows for easy room access.
- Follow the assembly instructions step by step to ensure correct and secure assembly.
- **DO NOT** modify the structure of this product in any way.
- This nightstand is unsuitable for mounting on drywalls and tiled walls.
- If unsure about the assembly process or have specific requirements, seek assistance from a professional or contact customer service to ensure safety and stability.

4 × 1

Wooden Wall

Step 1

Note:

Drill the holes precisely at the center of the wall hole markings on the template.

Use the level to check for levelness. Ensure the bubble is centered within the glass tube.

1 × K

1 × M

Step 2

Note: Drill holes with a 0.35"/9 mm drill bit.

4 × **H**

Step 3

4 × **J**

Mounting on the Wall

For all wall types, refer to the following mounting instructions.

Step 1

Step 2

Disclaimer

Read this disclaimer completely and carefully before proceeding with the rest of the manual content.

1. **Product Modifications**

Any modifications or alterations to this product void any warranties and may result in damage or injury. We shall not be liable for any damages resulting from such modifications or alterations.

2. **Compliance with Laws**

Customers shall be liable for ensuring that the use of this product complies with all applicable laws and regulations in their respective jurisdictions. We shall not be responsible for any violations of laws or regulations resulting from the use of this product.

3. **Correct Use**

Always use this product only as directed in the accompanying manuals. Failure to follow instructions may result in injury or damage.

Always ensure the assembly, installation, operation, maintenance, or repair of this product is carried out by a competent person.

Regular maintenance should be performed throughout the lifecycle of this product. You are responsible for ensuring this product operate as intended.

Always wear appropriate protective gear.

4. **Third-Party Products**

We shall not be liable for any damages or losses resulting from the use of third-party products in conjunction with our products. Customers shall refer to the third-party's guidelines and/or warranties (if any) for any third-party products used.

5. **Limitation of Liability**

We shall not be liable for any direct, indirect, punitive, incidental, special, or consequential damages to property or life, whatsoever arising out of or connected with the use or misuse of our products. In no event shall our liability exceed the value of the products sold.

6. **Warranty**

Refer to the sales page for warranty information.

This disclaimer states the entire obligation of us with respect to this product. If any part of this disclaimer is determined to be void, invalid, unenforceable, or illegal, including but not limited to the warranty disclaimers, liability disclaimers, and liability limitations set forth above, the invalid or unenforceable provision will be deemed superseded by a valid and enforceable provision that most closely matches the intent of the original provision and the remainder of the agreement shall remain in full force and effect.
