With understated style and exquisite design details, the three-drawer Palmieri Nightstand leaves no design detail behind. Crafted of oak veneers with a cedar-lined bottom drawer, the Palmieri is finished in Sorrento, a soft taupe blended with a gray two-tone paint with distressing and hand-planing. Shaped step feet lend sophistication, and decorative key and dogwood flower backplates with fleur de lis-shaped pendant hardware give sophistication. The top drawer has a drop-in felt liner, the bottom drawer is cedar lined. Functional features include a 3-plug electrical outlet and a touch dimming switch with a light underneath. Delivering the casual look and feel of ageless pieces acquired during travels in the Old World, Hooker Furniture is featuring Alfresco, a whole-home collection with relaxed European provincial styling. The Alfresco collection has a well-traveled aesthetic that is inspired by heirloom pieces found in homes perched on cliffs along the Italian coastline of the Adriatic Sea. The collection of bedroom, dining room, occasional and accent furniture features moderately distressed designs that are enhanced by accent paint finishes that create an eclectic feel. Alfresco is constructed of oak, maple and hickory veneers and poplar solids, and includes several pieces with stone and metal accents.
