Anti-Theft Tablet Floor Stand for Samsung

The Lockable Tablet Floor Stand provides secure, versatile tablet display for public and commercial use. Its tamper-proof enclosure fits Samsung Galaxy Tab A and Tab S models, ideal for retail, hotels, and trade shows. The rotating and tilting design allows easy viewing adjustments, while the freestanding or bolt-down base ensures flexible setup. Built from durable steel, it's perfect for kiosks, customer interactions, and digital displays.

- Lockable, tamper-proof design provides security in public areas
- Height adjustable stand helps engage with users of any age and size

- Durable construction from high-strength steel
- Universal enclosure designed to fit Samsung Galaxy Tab A and Tab S tablets
- Rotate and tilt capability allows for landscape and portrait viewing at the desired angle
