Step 1

Diagram illustrating the steps to attach a recliner seat to a sofa frame:

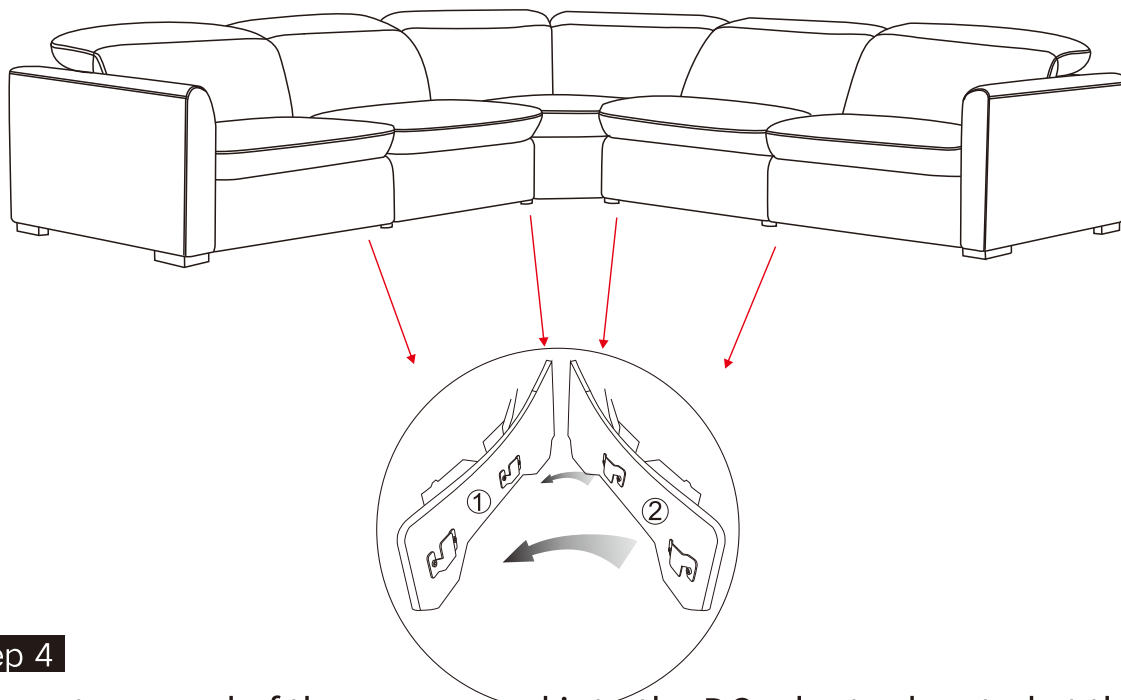

- Attach the seat to the sofa frame using Velcro and a zipper.
- Attach the recliner mechanism to the seat.
- Pull up the connector to lock the recliner mechanism.

Diagram illustrating the steps to attach the backrest of the chair:

- Side view of the chair showing the backrest position.
- Detail of the backrest showing the **Velcro** and **zipper** attachment points.
- Detail of the chair frame showing the attachment point (indicated by a red line).
- Detail of the zipper being pulled up (indicated by a red arrow).
- Detail of the backrest being attached to the chair frame (indicated by a red arrow).

Step 3

Group each sofa together by connecting pieces.

Step 4

Connect one end of the power cord into the DC adaptor located at the back of the seat. Plug the other end of power cord into the power outlet.
