Prepare whole meals in advance and save leftovers with the NESCO VS-01 Electric Vacuum Sealer. Keep food fresh up to 5 times longer than traditional methods. Fully automatic, one touch operation, and automatic shut off makes this sealer easy to use. The seal only function prevents over-vacuumping and crushing of delicate foods. This sealer can accommodate up to an 11.8" width bag providing the versatility for a wide range of sealing jobs. 10 quart-sized bags and 10 gallon-sized bags are included to get you started. The NESCO VS-01 Electric Vacuum Sealer is compatible with any brand of vacuum sealer bags.
