LIMITED 2-YEAR WARRANTY

Our renowned reputation for fine products is a result of its dedication and commitment to quality, design and innovation. The entire range of sheds and boxes is manufactured from high quality materials under rigorous control and supervision. In case a problem should occur, please address your claim to customer service either by phone or through our website. The warranty is valid as of the date of purchase and a dated proof of purchase should be presented on request. We continuously tests its products for durability & stability and will replace, at its discretion, any product or part which fails due to structural defect or faulty workmanship, or which fails due to fading of color, for a 2-year period from the initial date of purchase. Damage caused by: use of force, incorrect handling, inappropriate use, neglect, commercial use or use other than for personal or household purposes; damages resulting from alteration, painting, or assembly not in accordance with the User's Manual and damages caused as a result of storage above the capacity load of the product, are excluded from this warranty. In addition, this limited warranty does not apply to damage resulting from exceptional wind effects (including, but not limited to, storms). After a claim has been settled, the guarantee period will continue to be counted and shall terminate upon its expiry date. We shall not be responsible for any damage caused by any reason whatsoever to goods stored in the Product. Please note that the products are produced from the finest raw materials, which are "clear": non-toxic and completely recyclable.

CARE & SAFETY

In case of fire, do not attempt to extinguish any burning polypropylene with water.
It is of utmost importance to assemble all of the parts according to the directions. Do not skip any step.
Wear safety goggles and always follow the manufacturer's instructions when using power tools.
Using a stiff brush or abrasive cleaner could damage the box.
Hot items such as recently used grills, blowtorches, etc., must not be stored in the box.
Not designed for carrying items.
After rain, wipe box with cloth before opening.
Unsuitable for storage of flammable or corrosive substances.
Do not stand on lid.
To prevent risk of suffocation, do not allow children to play inside the box.

PRÉCAUTIONS ET SÉCURITÉ

En cas d'incendie, ne pas tenter d'éteindre le polypropylène brûlé avec de l'eau.
Il est impératif de monter toutes les parties selon les instructions. Ne pas omettre une quelconque étape.
Portez des lunettes de protection et suivez toujours les instructions du fabricant lorsque vous utilisez des outils électriques.
Utiliser une brosse dure ou un produit d'entretien abrasif risquerait de l'endommager.
Des articles chauds, tels que des grills non refroidis, des chalumeaux, etc., ne doivent pas être entreposés dans la boîte.
