

## Installation Steps:

Step 1: Fix the mounting plate (2) to the junction box with screws (5).

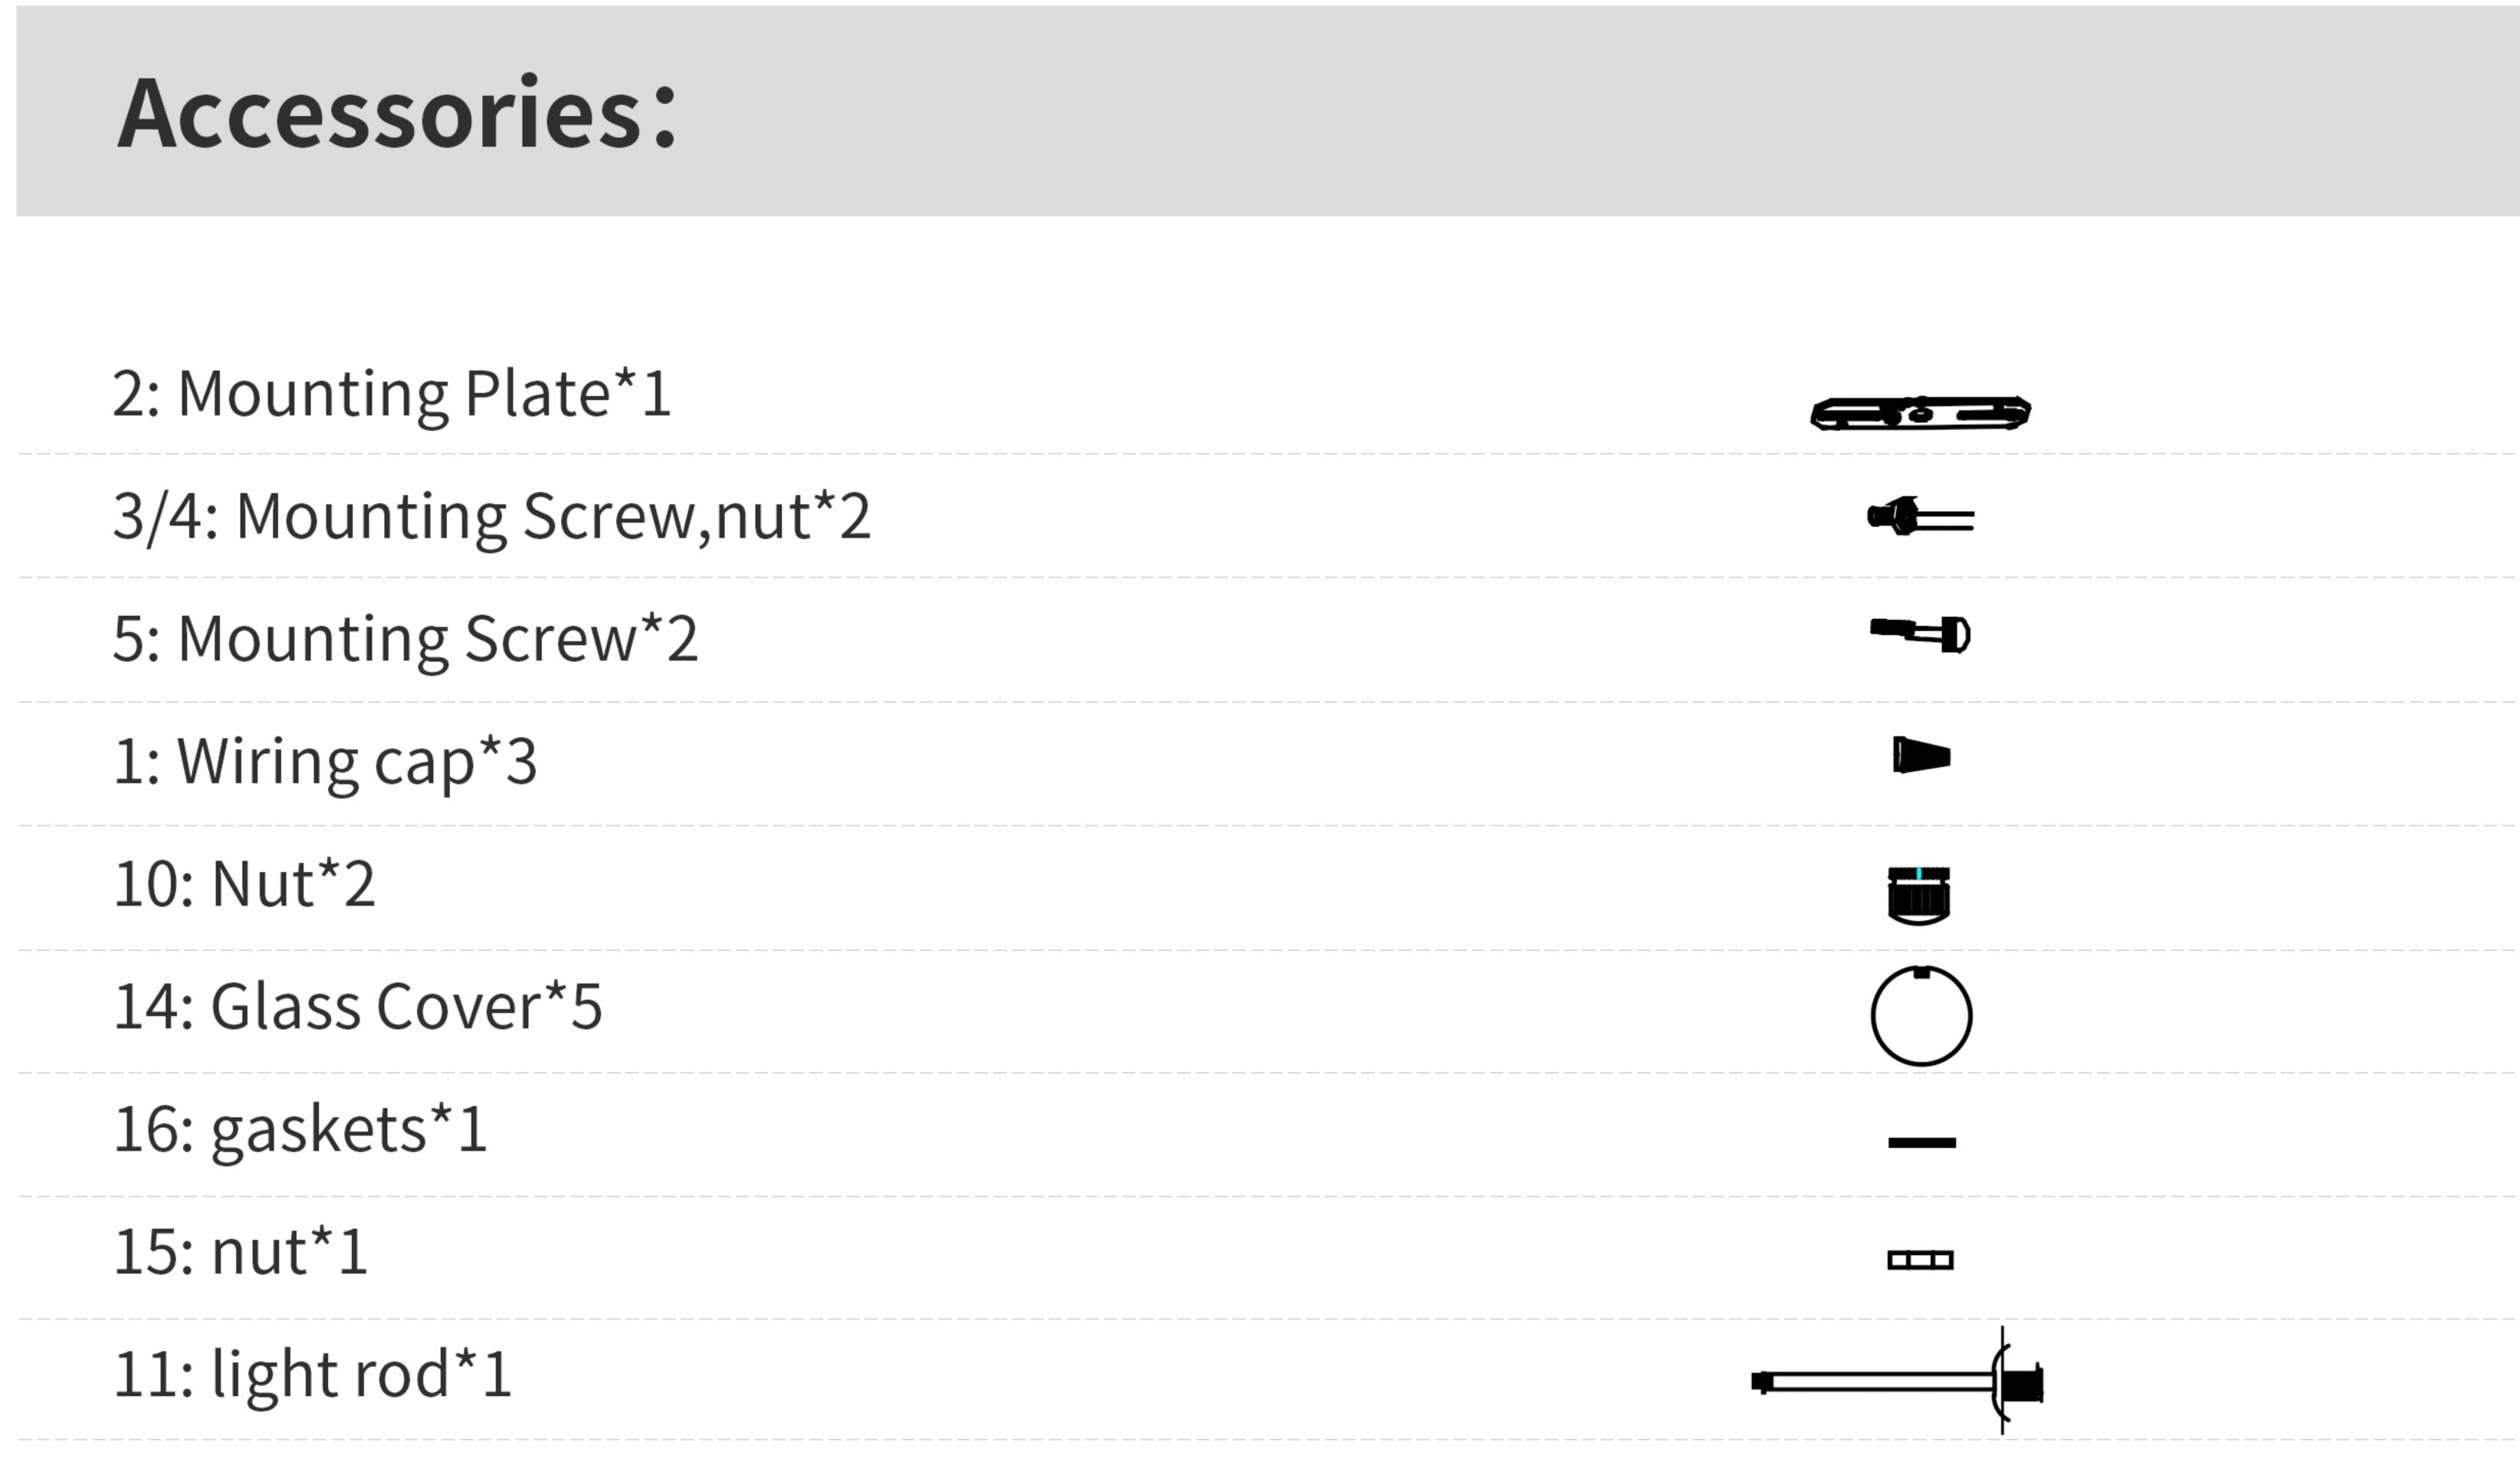

**Step 2:** Pass the light rod (11) through the straight rim basin (8) gasket (16) and tighten it with the nut (15).

**Step 3:** Connect the power cable (6) of the lamp body to the external power cable using a wiring cap (1), secure the ground cable (7) with a green ground screw, and then connect the wiring cap (1) to the external ground cable.

**Step 4:** Fix the straight edge basin (8) to the mounting plate (2) with nuts (4) (10) screws (3).

Step 5: Install the bulb (not included)(13) on the lamp holder (12).

Step 6: Screw the glass cover (14) onto the lamp holder (12).

**Notice:** This light fixture should be installed in accordance with all applicable, local installation codes, and by a person familiar with the construction and operation of it, as well as the hazards involved. Inspect items and contents carefully. If any damage or defect is found, do not install it.
