WARNING ⚠ CAUTION

ADULT ASSEMBLY REQUIRED
CHOKING HAZARD
- This product includes small parts, sharp points and sharp edges in its unassembled state. Keep unassembled parts away from children under 3 years of age, and animals.

STRANGULATION HAZARD
- Never attach or hang items to any part of the bookcase that is not designed for use with the bookcase; for example, but not limited to hooks, belts, and jump ropes.

SAFETY WARNINGS
- Follow the information on the warnings appearing on the loft bed end structure and on the carton. Do not remove warning label from bed.
- Do not allow children under 3 years of age to use the bookcase.
- Do not use substitute parts. Contact the manufacturer or dealer for replacement parts.

FURNITURE TIP-OVER HAZARD

Children have died from furniture tip-over.
To reduce the risk of furniture tip-over:
- ALWAYS install tip-over restraint especially if used by a wall or in the open.
- NEVER put a TV on this product
- NEVER allow children to stand, climb or hang on drawers, doors, or shelves.
- NEVER open more than one drawer at a time.
- ALWAYS place heaviest items in lowest drawers.

PARENTAL SUPERVISION IS REQUIRED
- This Kids product is intended for child use age 3+.
- Parents or Guardians should supervise use under the intended age specifically regarding children that may have access to it and climb on the unit.
- Do not allow horseplay on, under, or behind the unit and prohibit jumping on the bookcase.
- If used improperly, your bookcase may be pulled over or fall, creating risk of injury or damage. Children should not be permitted to climb or pull on the bookcase.

USE, MAINTENANCE & ASSEMBLY
- Periodically check and ensure that the components are in their proper position, free from
- damage, and that all connectors are tight.
- Use on level surfaces only. Assemble on a soft level surface to avoid damage to unit or floor.
- Do not use this item if any components are missing or damaged.
- Do not use substitute parts. Contact the manufacturer or dealer for replacement parts.
- Only clean using damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- Check you have all components and tools listed on page 4
- Do not stand or put weight on this product during assembly, this could cause damage.
- Remove all hardware from the plastic bags and separate them into groups.
- Assemble the item as close to its final position (in the same room) as possible.
- Certain assembly steps may be easier with 2 people.
- Dispose of all packaging carefully and responsibly.
- We do not recommend power screwdrivers. Only use hand screwdrivers to prevent damage to unit.
- Keep these instructions for future reference.
