

INSTRUCTIONS

ON (Timer)/OFF Function / Operation

Step 1) Open the compartment.

Step 2) Use 4pcs "AA" size batteries (not included).

Do not mix alkaline, standard or rechargeable batteries

Step 3) At the Top of the battery box, there is a black button. This button operates the Timer on/ off function.

Timer Function

* Once the black button is pressed, timer will run automatically from this time. Lights will be on for 6 hours and then turn off for 18 hours. Cycle will repeat automatically until the button is pressed again to turn off or batteries are exhausted.

* To change the timer start time, remove batteries, wait 5 Minutes, then reinsert, this will clear the start time.
