⚠ WARNING

- NOT recommended for use with children.
- ALWAYS install and use gate as directed using all required parts.
- Never stack gates on top of each other to form a taller barrier. This could result in serious injury or death.
- STOP using when a pet can climb over or dislodge the gate.
- To prevent falls, NEVER use at top of stairs.
- NEVER use to keep pet away from pool.
- Strangulation hazard: pets can force themselves into very small openings; use this gate with pets whose heads will not fit into openings in the gate, between the gate and floor, or between the gate and wall.
- This product will not necessarily prevent all accidents. NEVER leave pet unattended.
- Do not use if any components are missing or damaged.
