

## HC1850

### 130-Stitch Computerized Sewing Machine with Wide Table

Home Sewing & Embroidery

- 130 Built-in stitches and 8 one-step buttonholes
- Advanced needle threading system
- 8 Included accessory feet

Perfect for sewing, quilting, and basic monogramming! The HC1850 features 130 unique stitches, including 8 styles of 1-step buttonholes, plus 55 alphanumeric sewing stitches for basic monogramming. Designed for flexibility and ease of use, this machine includes a convenient, built-in stitch reference flip-chart, 8 presser feet, push-button stitch selector, adjustable sewing speed, automatic threading system, detachable foot controller, and an exceptional feed system for sewing on almost any fabric. Specialty quilting features include a detachable wide table, spring action quilting foot, and the ability to do free-motion quilting. The HC1850 is lightweight and portable, and perfect for taking to classes.

## Main Features

- 130 built-in stitches, including 8 one-step auto-size buttonhole styles
