Product Features

- 52 Inch Flush Mount Ceiling Fan: This Wood ceiling fan suits for medium or larger size room from 100sq.ft up to 250sq.ft, such as a kitchen, bedroom, living room, dining room, patio or common areas
- Intergrated LED Light: Save energy and changes the visual appearance and mood of your space. Choose the light color (white/neutral/warm light) by remote controlling.
- Reversible Ceiling Fan: Copper DC motor provides strong air flow and quiet operation. With the reversible function, you can change the direction from downdraft mode during the summer to updraft mode during the winter
- Ceiling Fan with Remote: The led lights ceiling fan had setting the timer function. 6 speed let you choose your wanted air flow. You can try those function by holding down the corresponded button on remote
- Flush Mount Wood Design: Crafted with solid wood blades, a stylish white shell, and a modern lampshade, this low-profile ceiling fan adds a touch of sophistication to any room. The flush mount design simplifies installation, and the fan and light can be operated independently.
