

Buoy Small Pendant Light

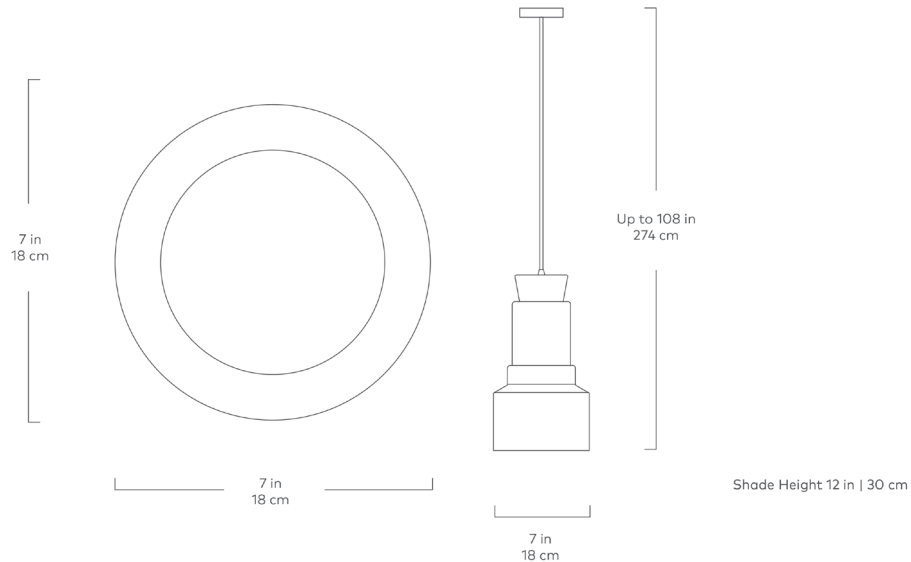

Cork
Carbonized

The Buoy Pendant is a study in materials and sculptural form. Crafted from cork, this hanging light appears to physically float in the air, suspended by a single cord. The intricate texture of the shade adds a warm, organic feel to the space it inhabits. Style as a single pendant above a side table or arrange in series above dining tables or kitchen counters.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit gusmodern.com for more information about our Trade & Contract programs.
