Accessories List

Check and make sure you get the components on the list, contact us for any missing

Part A: 1 × Seat
Part B: 1 × Backrest
Part C: 1 × Back Cushion
Part D: 1 × Seat Cushion
Part E: 4 × Connectors
Part F: 4 × Casters
Part L: 1 × Left Armrest
Part R: 1 × Right Armrest

For one person

Minimum 2 people to assemble

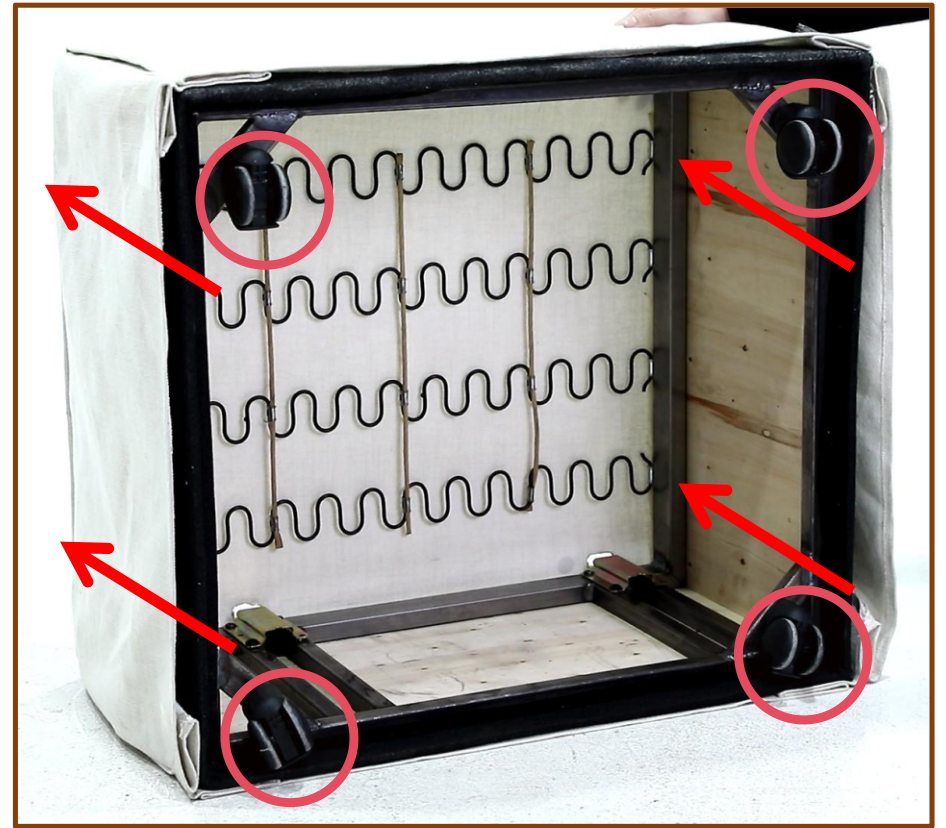

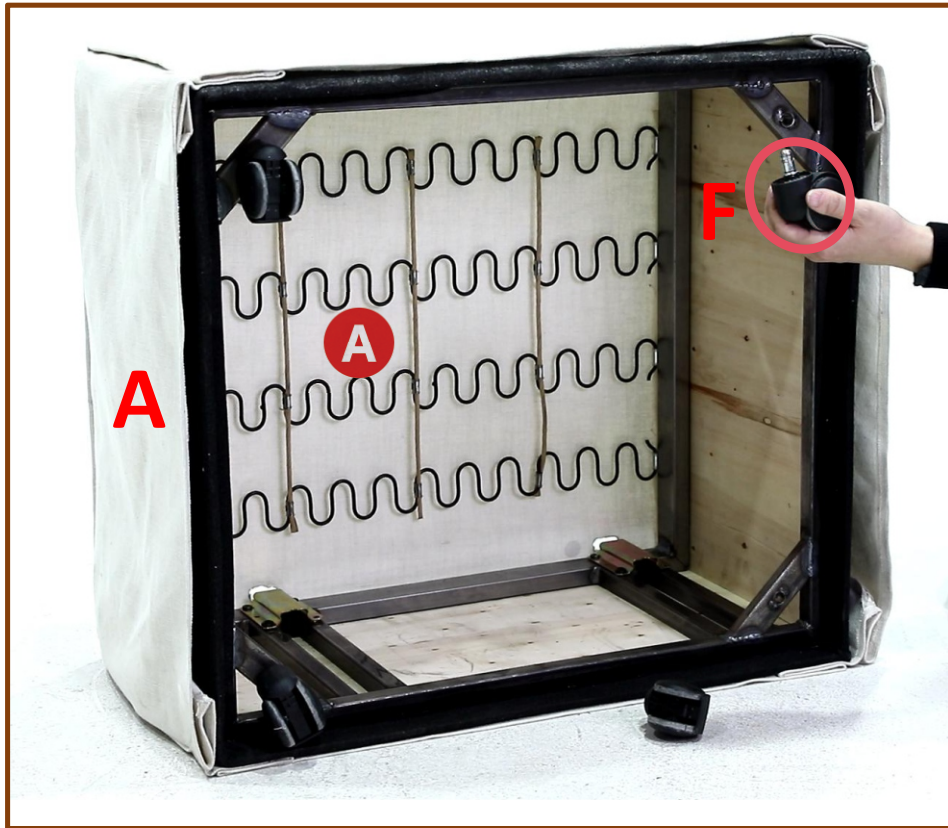

Necessary tools

Step 1

NOTE: Please make sure to follow the steps.

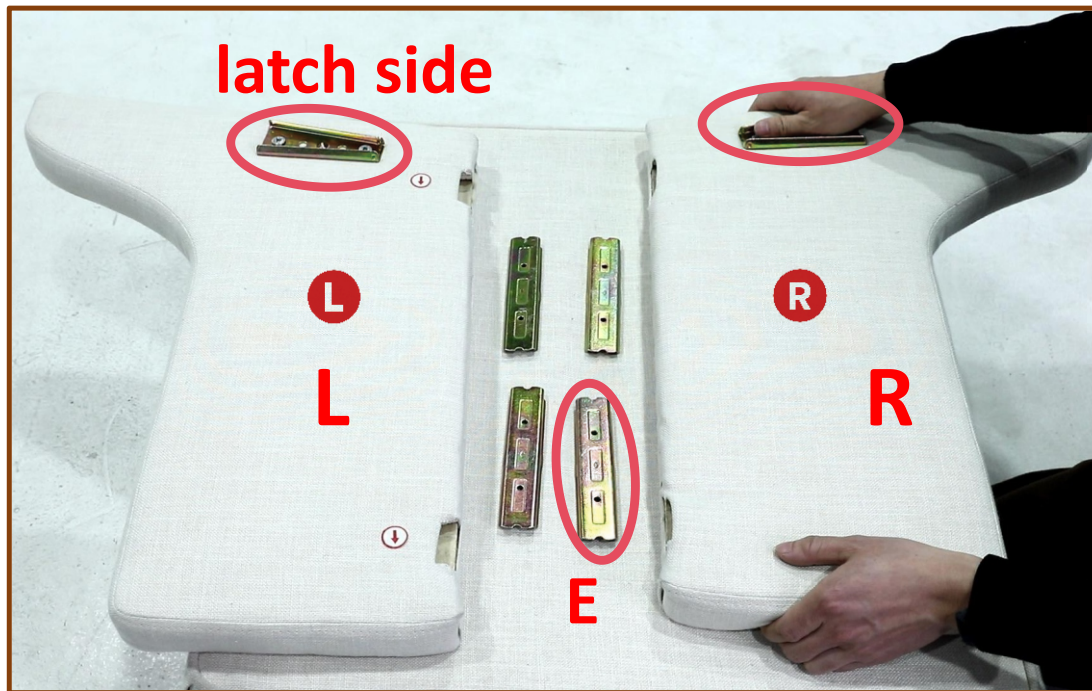

Insert four Casters (Part F) into the holes at the bottom of the Seat (Part A).

Step 2

NOTE: Please make sure to follow the steps.

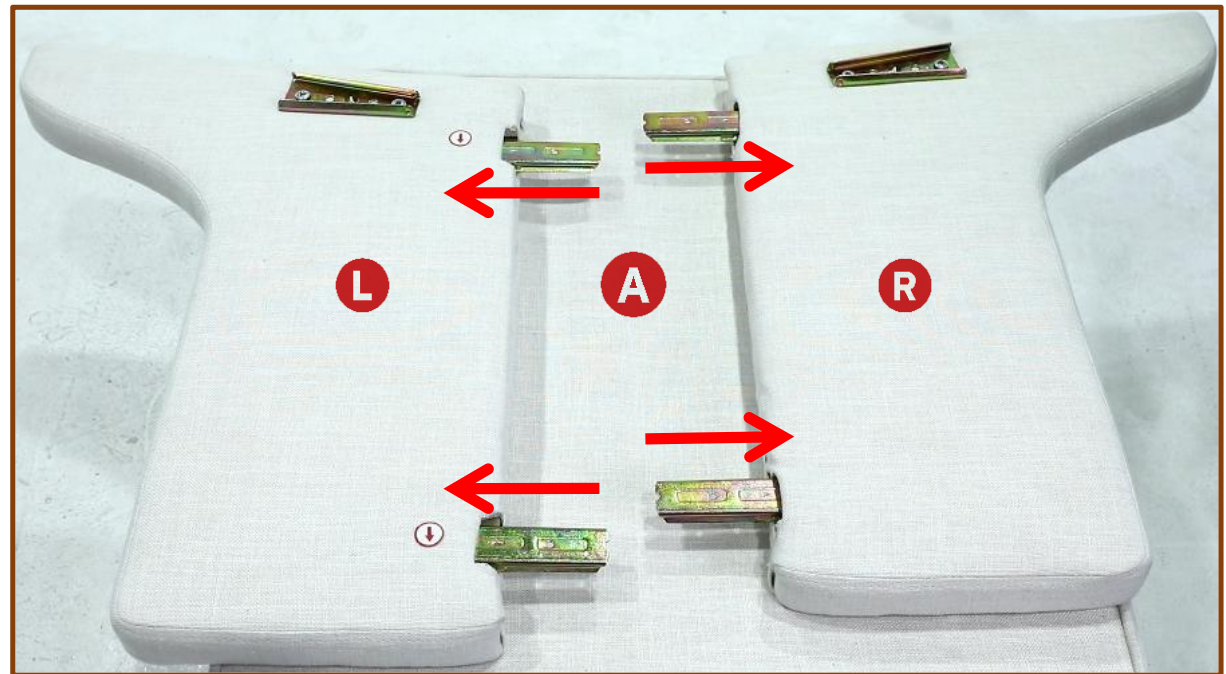

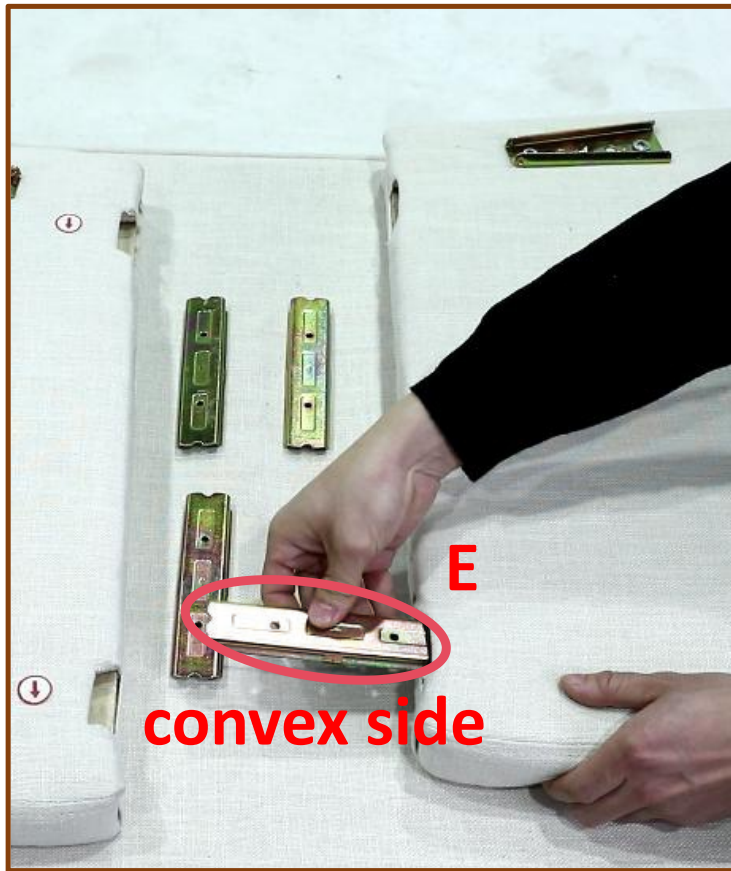

Place parts L and R with the latch side facing upward. Keep the convex side of the Connectors (E) upward.

Step 3

NOTE: Please make sure to follow the steps.

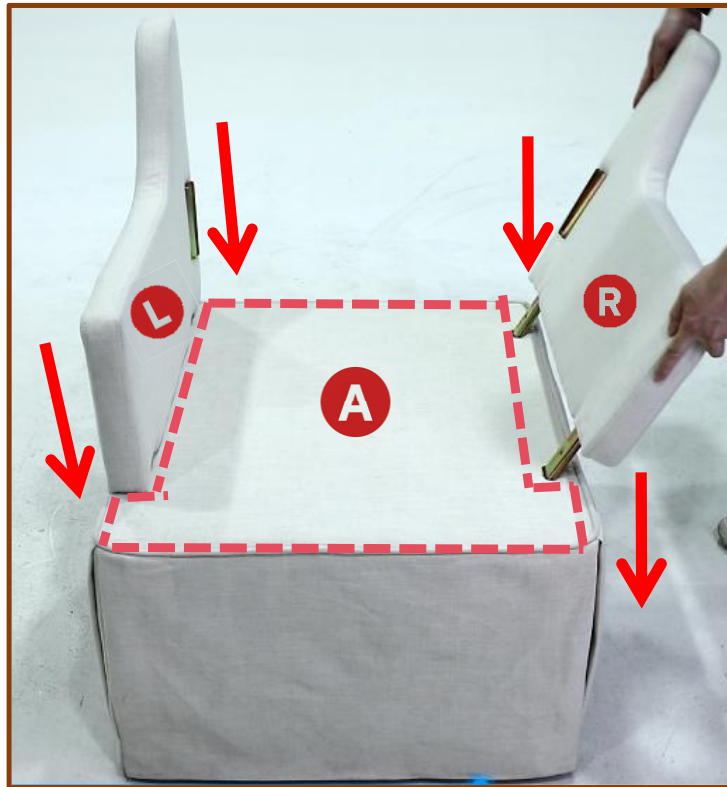

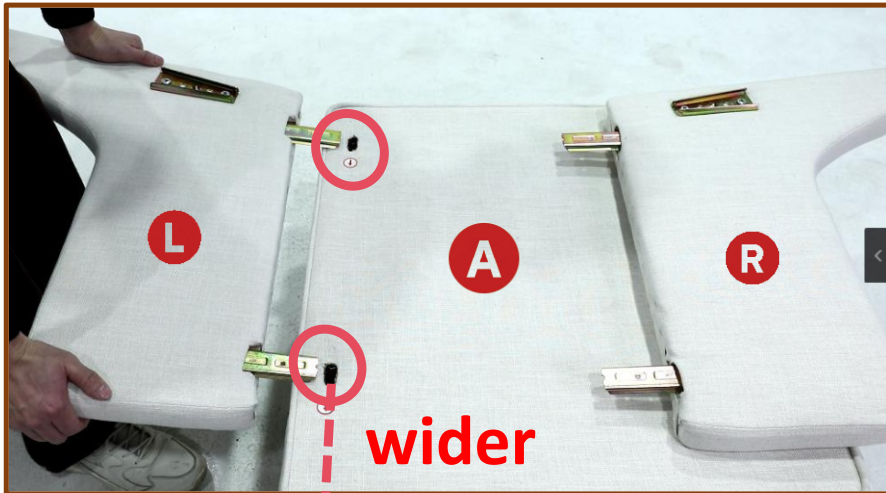

Insert four connectors (E) into the holes of parts L and R with the convex side facing up.

Step 4

NOTE: Please make sure to follow the steps.

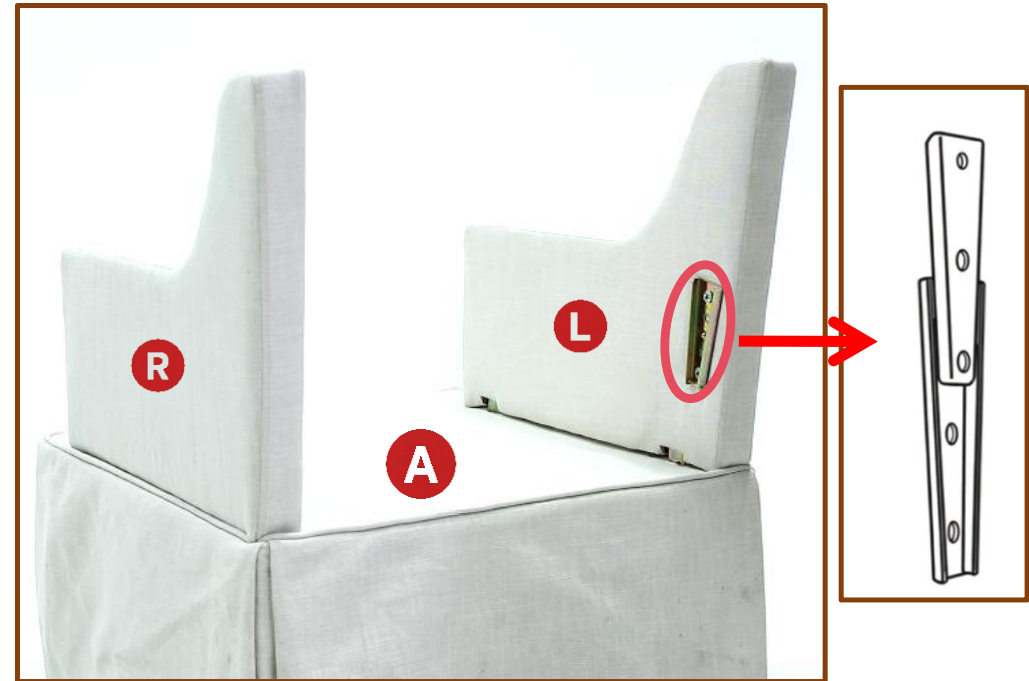

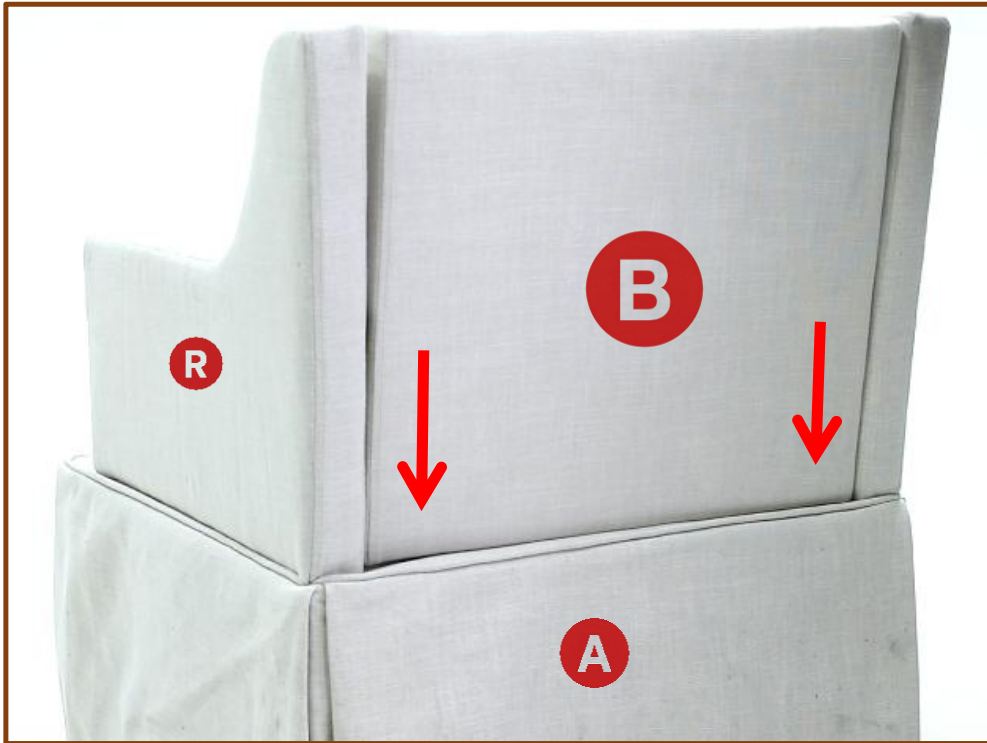

Orient the seat with the wider margin (the holes further from the edge) toward you. Pick up parts L and R, and insert the connectors (E) into the holes of part A.

Step 5

NOTE: Please make sure to follow the steps.

With the Backrest (Part B) facing inward, align its latch sides with those on Armrest L and R, then slide into place.

Last Step

NOTE: Installation completed. Hope you enjoy it!

Place the Seat Cushion (D) into the seat base. Then, set the Seat Cushion (C) onto the seat to complete the assembly.

Frequently Asked Questions

Q1: Does the color of the product you received match the picture?

A: Due to different environments, shooting equipment, lighting conditions, monitors, and other factors, there will be color differences.

Q2: What if I find damaged or missing parts during installation?

A: 1. Find the part numbers in your manual.
2. Contact us with the part numbers or photos of the damage.
