

Specifications

Color: Black

Shape: Round

Style: Modern

Material: Die-cast Aluminum, Tempered Glass

Process: Electrostatic Spraying

Plug: US Standard

Usage: Outdoor Use

Beam Angle: 120°

Rotatable Angle: 360°

Light Color: GRB

Installation Type: Ground Insert/Wall Mount

Control Method: APP, Remote Control

Control Distance: 20m/65.6ft

Waterproof Grade: IP66

Efficiency: E

EU Energy Label Efficiency Labeling Class: A+++ to E

Color Temperature: 3000K

Initial Lumen: 1200LM

CRI: >80

Power: 30W

Voltage: 90-240V

Number of LED Chip Beads: 6

Applicable Temperature: -20~60°C/-4~140°F

Main Cable Length: 3m/9.84ft

Branch Cable Length: 1.5m/4.9ft
