## Application

It's ideal as a dinner tray table, a rolling laptop desk, a portable bedside&sofa table, a reading/writing table, a music stand, a recliner table, a wheelchair table, etc. in living rooms, bedrooms, study rooms, balconies, music rooms, homes, hospitals, hotels, etc.

## Notes

1. Please wipe the water on the table as quickly as soon. Please do not place corrosive items on the tabletop, such as alcohol, aromatherapy, and nail polish remover.
2. Please keep this table from prolonged exposure to strong sunlight and placement in a wet environment.
3. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
