RODEO HOCKER ON LEGS VELVET CHESTNUT

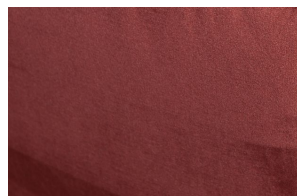

Additional description

Velvet is the latest fabric version in the Rodeo seating series of the BePureHome brand. The seating furniture series is modern, tough and contemporary. This spacious footstool/hocker is an ideal addition to the Rodeo sofa. As an extra seat or to put your legs on. The footstool/hocker is upholstered with a beautiful 100% polyester velvet fabric. The legs are made of black metal and 20 cm high. The seat height is 45 cm, the seat depth is 55 cm and the seat width is 84 cm.

The fabric 100% polyester velvet with velvet appearance feels soft, is of a heavy quality and is suitable for intensive use. The fabric has not been tested for additional treatments and therefore we do not recommend impregnating the sofa. If this is deemed necessary, it is at your own risk and we recommend testing it out in a spot - out of sight.

The Rodeo seating series consists of this footstool on legs, a 120x60 footstool, an armchair/loveseat, a 3-seater sofa, a 2.5-seater sofa and a dining chair....
