

Installation steps:

1. Adjust the lamp head in the direction of the arrow
- 2-3. Insert the lamp arm into the hole on the top of the lamp body, and then tighten the nut and washer
4. Connect the lamp head wire of the same color with the same color wire of the main line
5. Close the lid
6. Tighten the smooth nut
- 7-9. Tighten the boom on the lamp body
10. Tighten the lifting ring on the boom
11. Fasten the movable buckle into the hoist ring and tighten it
12. Tighten (fix) the lifting ring on the hanging plate
13. Fix the hanging board on the junction box with screws
14. Connect the main line of the lamp body to the line reserved on the ceiling
15. Cover the junction box on the ceiling with a canopy
16. Fix the canopy to the ceiling with a ring
17. Insert the lamp holder tube into the lamp holder
18. Install the light source (excluding bulbs)

Attention:

1. Please cut off the power supply before installation to prevent electric shock
(installation by certified electrician is recommended)
2. Due to the different display, the actual color can be different from the image
3. Due to the manual measurement of lamp body size, there may be a deviation of 1 / 2 inch
4. If you have any questions or lost parts, please feel free to contact us and we will try our best to help you
