Greeting!
So here I am

your new pet house

- ▶ Thanks for letting me be a home for your furry friend(s).
- ▶ They'll be cozy and protected from the weather when they're with me.
- ▶ Just remember to take care of me too, so I can last a long time.
- ▶ When you first get me, you might smell a funny smell. Don't worry, it's not dangerous.
- ▶ Just let me air out for a few days and the smell will go away.
- ▶ Be careful when you're putting me together because some of my parts can be sharp or heavy.
- ▶ Make sure to start by loosely putting in screws, and then tighten them all before using me.
- ▶ If you notice anything broken or missing, stop using me until it's fixed, and please follow the instructions from the maker so your warranty stays good.
- ▶ You can use me both inside and outside, but if you put me outside, make sure to give me an extra cover to keep me from getting moldy.
- ▶ I like to be on a level surface so my doors work smoothly.
- ▶ Keep me away from fire and dangerous chemicals.
- ▶ Clean me with a damp, soapy sponge without corrosive agents.
- ▶ Dry me with a soft, clean, dry cloth.
- ▶ Do not use a high pressure cleaner on me.
- ▶ Do not use bleach, acids, solvents, or abrasive cleaners on me.
- ▶ Check that all my bolts, screws, and knobs are tight every 90 days.

HELP CENTER
