What You Need to Know

It is the sole responsibility of the customer to check with your local municipal or county by-laws before ordering this product to confirm it complies with building codes in your area.
If the product is elevated, any structural and building code requirements are solely the customer's responsibility, and should be abided by.

Have a regular maintenance plan to ensure screws, doors, parts are tightly affixed.

All structures purchased from Outdoor Living Today are covered for a period of one year for defects in manufacturing and workmanship. Costs incurred for customer installations are not included.

Failure to use supplied parts included in this kit could result in poor product performance and may void your warranty. Please contact Outdoor Living Today's Customer Toll Free Line if you plan to deviate from our written instructions.

Safety Points and Other Considerations

In colder climates, please remove your Garden in a Box Plastic Cover during the winter months and store in included bag in a dry warm location.

Do not leave cover on during any large snow storms or extreme weather phenomenon such as hurricanes, tornadoes or heavy wind storms.

Cover can easily be taken off in minutes if such weather patterns are forecast in your area.We recommend once a year in the early spring to check that all fasteners are snug and to tighten if loose. Plastic cover can be cleaned with a mild soap and a cloth.
