5. Placed on a horizontal solid surface

### Warning:

This lamp is equipped with rechargeable lithium battery.

The battery should not be exposed to heat and sunlight.

Please do not use it when charging. Under no circumstances should the lamps be modified or stressed.

Any change will lead to security and loyalty. The manufacturer is not responsible for any modified products

### Be careful:

Please carefully read the product use and maintenance instructions;

Use according to the maintenance instructions to ensure the safety of the product.

and keep the maintenance instructions properly. We will not assume any responsibility for the man-made damage caused by improper use, and all kinds of damages caused thereby are not covered by the warranty, and any changed products will not. Do not put the product into water or take it with wet hands.

-In case of any fault or damage, please stop using immediately and contact the local dealer or qualified technician. The rated output current is 5V DC (type-c) 2A. The specified charger must be used

### Maintenance:

If it is damaged, please select the cable with the same characteristics as the original cable.

Do not connect the power supply when cleaning the lamp. Remember to use soft cloth and neutral detergent or soap solution. Avoid using alcohol or detergent containing acetone, thioberyllium, ammonia or any solvent.

Avoid mechanical pressure and heavy contamination.

### Battery charging:

The USB cable is connected to the charging port of the lamp base, and the other end is connected to the power socket (5V adapter must be used).

We recommend that the battery be fully charged and discharged during the first 10 times of use to ensure the best condition of the battery.

Please charge as soon as possible when the battery is exhausted; The battery life will be shortened if there is no electricity for a long time.

Battery replacement;

### Use original rechargeable batteries.

Under no circumstances should you use conventional batteries, which may cause danger.

If you need to replace batteries, please contact the manufacturer or dealer!
