

Power Recliner Assembly Manual KMT.A128L

CAUTION

THIS ASSEMBLY MANUAL CONTAINS IMPORTANT SAFTY INFORMATION.
PLEASE READ AND KEEP FOR FUTURE REDERENCE.

COMPONENTS

A Chair Back

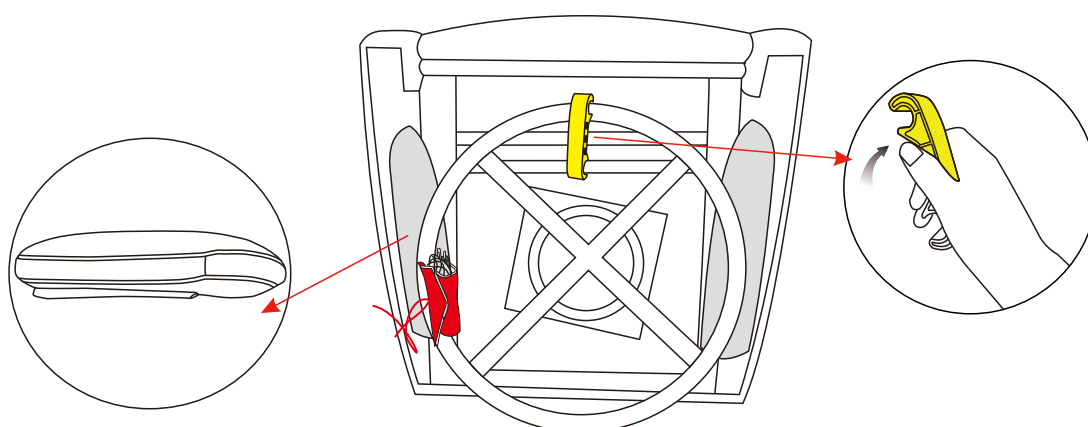

B Chair Base

C Left Arm

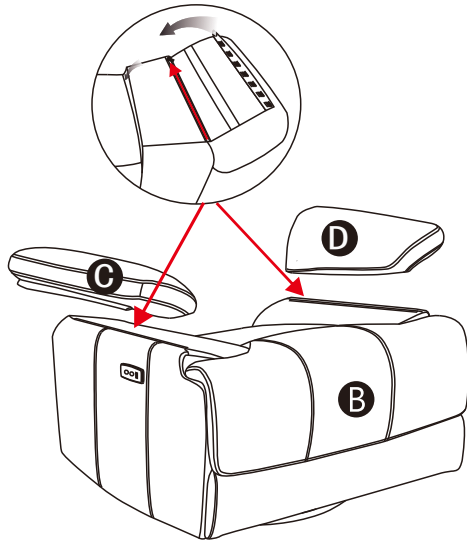

D Right Arm

WARNING

Find a protector at the bottom, then remove it before using.

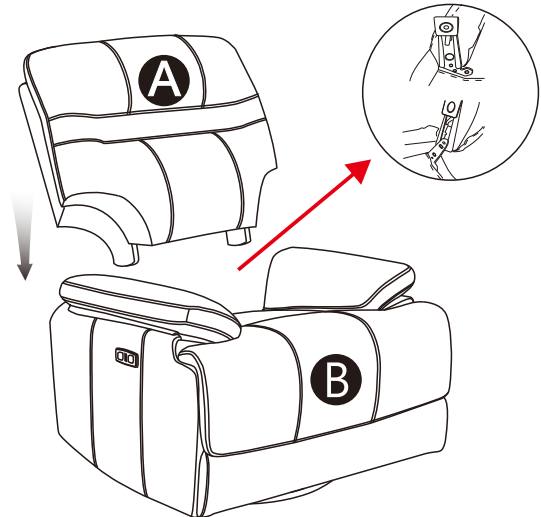

1

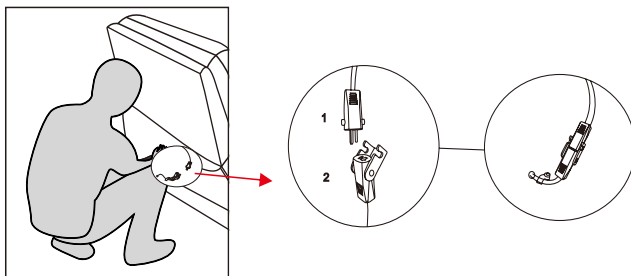

Zip arm cushions (C, D) onto the arm panels of the chair base (B)

2

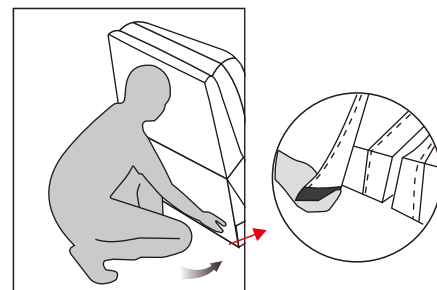

Align the backrest (A) with the brackets on the base (B) and slide it down until it clicks

3

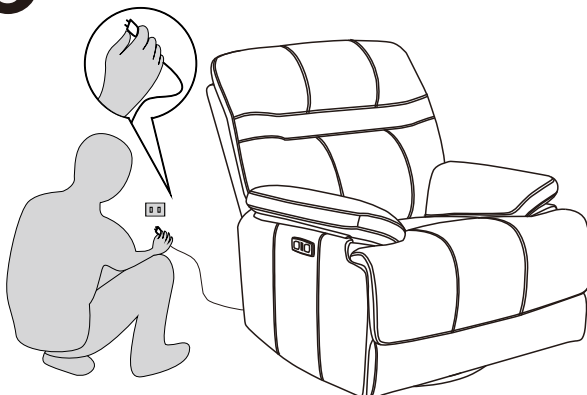

Match and connect the power plugs under the chair.

4

Pull down the back fabric flap and fasten it with the velcro strip.

5

Connect the power adapter to the chair and then to a wall outlet.
