## IMPORTANT

1. Do not tighten bolts / screws completely until all bolts / screws are lined up and inserted into holes.
2. Do not over tighten screws and bolts to avoid stripping.
3. Please use hand tools to assemble this product. Do not use power tools.

# Step 1

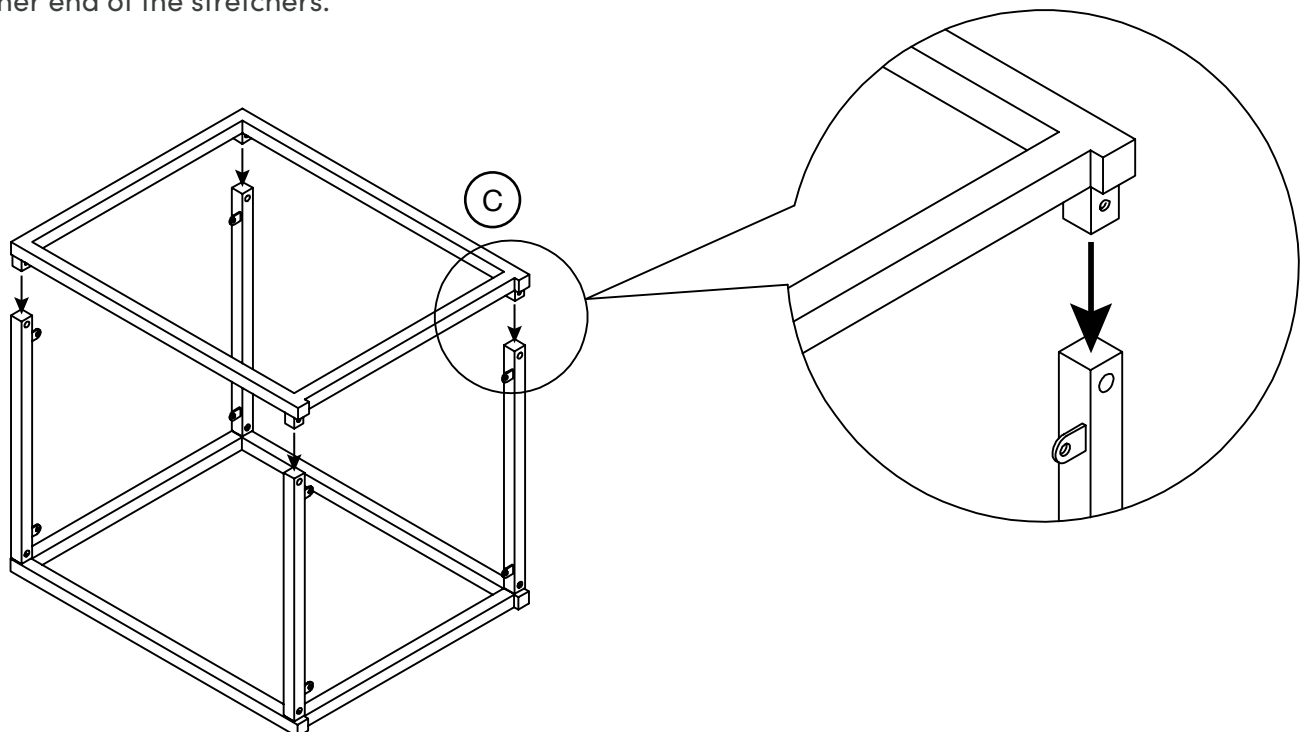

Let's get this thing fired up! Lay down packaging carton or use carpet as a working surface.

Start by attaching the stretchers to one side of the frame. Do not bolt in place yet! Sorry, didn't mean to yell. Please wait until Step 3 to secure the stretchers.

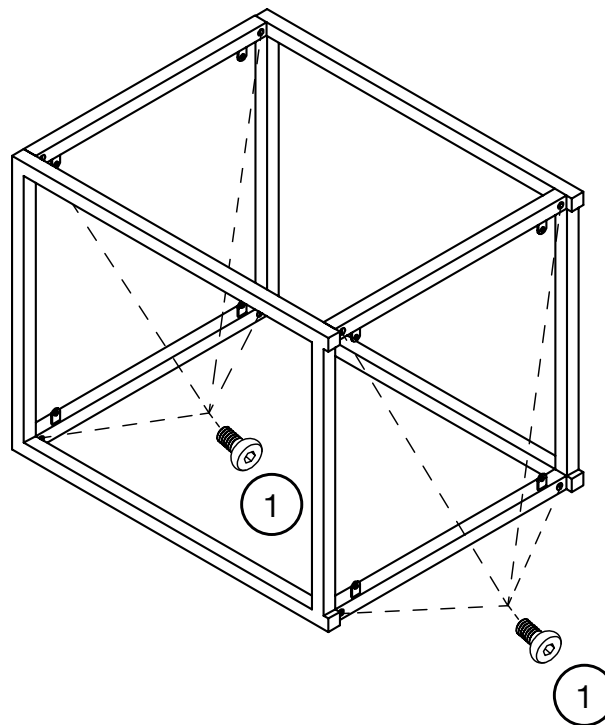

# Step 2

Attach the second frame to the other end of the stretchers.

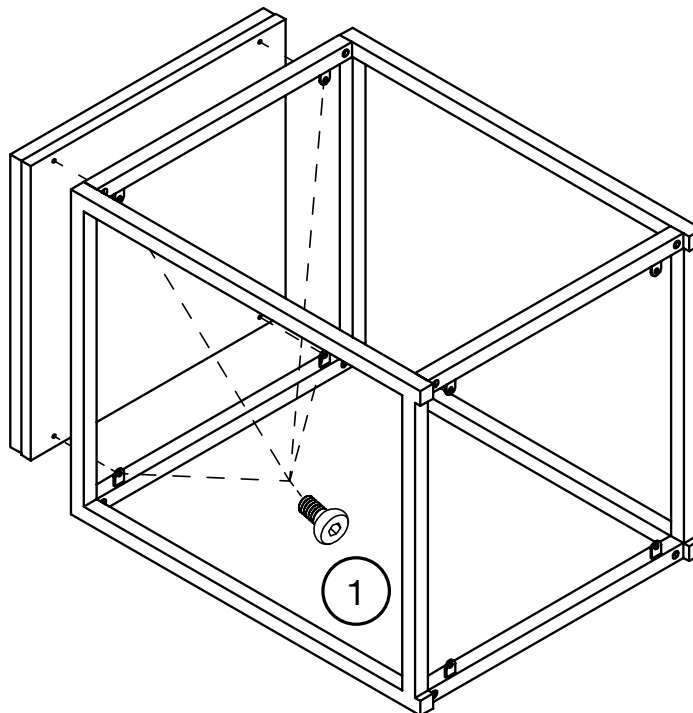

## Step 3

Use the allen key to secure the frames and the stretchers together. We're almost there!

## Step 4

Screw the top tray on to the base.

# Step 5

Last but not least, screw on the bottom shelf to the base of the side table.

You did it! Time for that celebratory pizza? We think yes.
