

Installation steps:

- 1-2. Thread the lamp arm through the hole in the circular iron plate and secure it with a nut/washer
3. Connect the lamp head wires of the same color to the main wires of the same color
- 4-5. Cover the circular iron sheet with the lid and tighten it with a lifting ring
6. Buckle the activity buckle into the lifting ring and tighten it
7. Fix the mounting bracket onto the junction box with screws
8. Connect the live/neutral and ground wires of the lamp body to the wires reserved on the junction box
- 9-10. Cover the canopy onto the installation bracket and secure it with screws
11. Place the crystal dish on the lamp head
12. Install the bulbs. (Bulb not included)
13. Hang the pendant on the lamp body

Notice:

1. Before installation, please check whether the parts are complete and whether the lamps are in good condition.
2. Cut off the power supply before installation, and then perform wiring.
3. Install the lamp body first, and then install the power supply.
4. Installation and maintenance must be carried out by professional and technical personnel.
