Dear Customer,

Thank you for purchasing our products. As a reliable seller, we are always striving to provide customers with 100% satisfactory products and services, so we hope that you can get the same feeling in this shopping experience. To serve you well is all our pursuit. If you find any damage or dissatisfaction after receiving the product, you are welcome to contact us at the first time via email and we will provide you with a 100% satisfactory solution. And if you would like to register for a 1-year warranty extension, contact us within one month please. If you are satisfied with our products and services, I hope you can leave us a comment at your convenience. I think your comment will be a reference for other users in the future, and other customers will be very grateful to you.

CAUTION

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.

CAUTION

All lamps promised 1 years warranty. No matter what kind of problem you might meet, you are free to contact us and get our support.
