

American Standard

ASD-1250

PREMIUM

1 1/4 HORSEPOWER

3 BOLT MOUNT SYSTEM

American Standard disposers feature a 3 Bolt Mount System for fast replacement of existing 3 Bolt installations.

Corrosion Proof

The American Standard ASD-1250 model uses all stainless steel grinding components that cannot fail due to corrosion.

Permanent Magnet Motors

American Standard motors offer maximum torque instantly with the power to cut through potential jams.

Removable Splash Guard

All American Standard continuous feed models have a removable splash guard, ideal for easy cleaning and replacement.

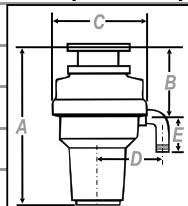

BIO SHIELD
(Antimicrobial)
for **ODOR PROTECTION!**
Disposers are treated with an antimicrobial agent molded inside providing protection against odor causing bacteria growth.

Silver Guard
The magnetic Silver Guard captures most metal objects before they enter into the disposer chamber. This protective feature helps prevent damage to valuable cutlery. It also helps prevent damage to the disposer as well as expensive repairs caused by metal objects falling into the disposer.
