Socket Type: E26

Watts per Socket / Item: 60/180

When a soft glow is desired, milk glass is one of the best materials to diffuse illumination. Our Daze Large Pendant is made of articulated panels of white milk glass that are joined together by ribs of metal in an antique brass finish. This white pendant, which joins a number of fixtures in the Daze family designed by Clarence Mallari, will turn luminous when it is switched on.
