

# Vego Kitchen Composter

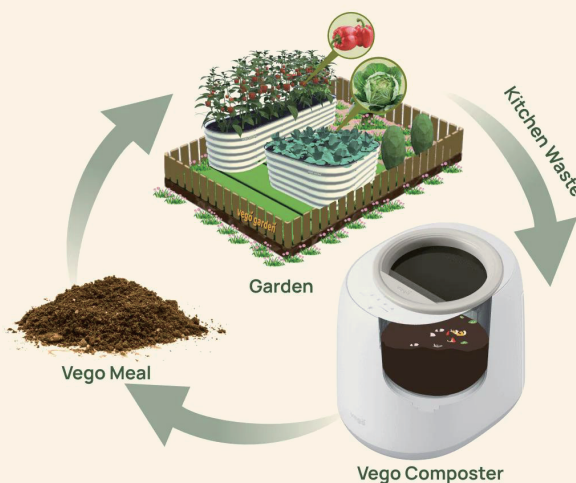

Discover the easiest way to start composting with the Vego Kitchen Composter. Our smart app guides you through every step, ensuring no mess, no smell, and no mold.

- Composter Carbon Filter Refill Kit
- VegoTabs
- Carbon Filter Refill Kit & VegoTabs Bundle

## Composting Made Smarter

With the Vego Kitchen Composter, you can nourish your garden by transforming the scraps from the veggies you grow into something we like to call "Vego Meal."

## Vego Meal

After you've enjoyed delicious vegetables from your garden, you can add the scraps along with a VegoTab to your composter to make Vego Meal, a nutrient rich amendment for your plants!

**Smarter Composting**

**Whisper-Quiet Performance**

**Vivid View Composting**

**The Vego App**

**Safe Composting & Worry-Free Planting**

**Award-Winning Design**

## Clean, Easy, & Bug Free

Turn waste into garden nourishment hassle-free, without the stinky, bug-attracting drawbacks of conventional compost heaps. Changing the activated carbon filter, cleaning & drying the inner bucket are all as easy as the click of a button.

**One-Click Inner Bucket Cleaning + Drying**

**Easy Filter Replacement**

**Advanced Odor Control**

## We've put more thought into your garden.

Our metal modular garden beds give you all the room (and features) to help you realize the garden of your dreams.

**100% non-toxic.**

Proprietary materials means no leaching of metals & toxins for crops that stay clean.

**Complete systems.**

Standardized, interchangeable components to help you create your ideal garden configuration.

**Completely modular**

Trellises, covers, and all other upgrades to seriously level-up your garden.

**Safe always in mind.**

Rounded corners, smooth edges, & rounded cap nuts to protect hands, plants, and little ones.
