WALL

BOARD

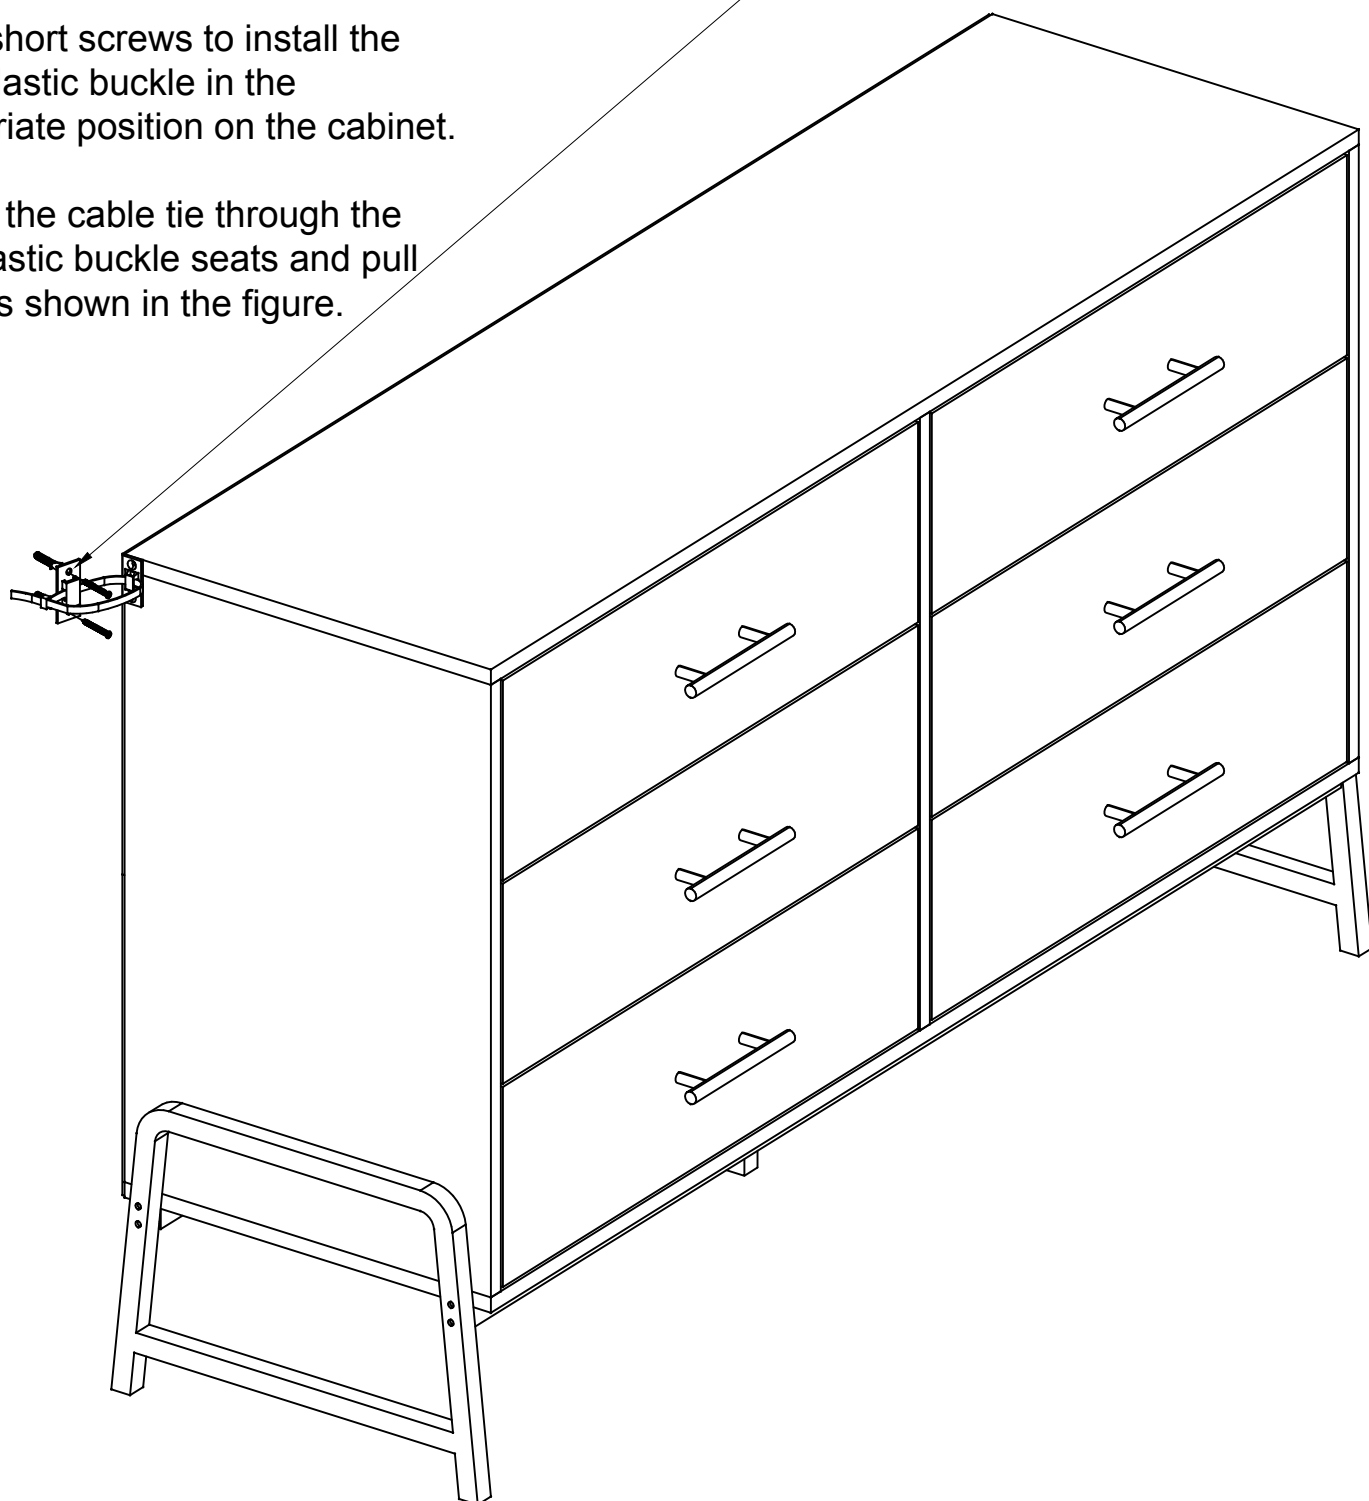

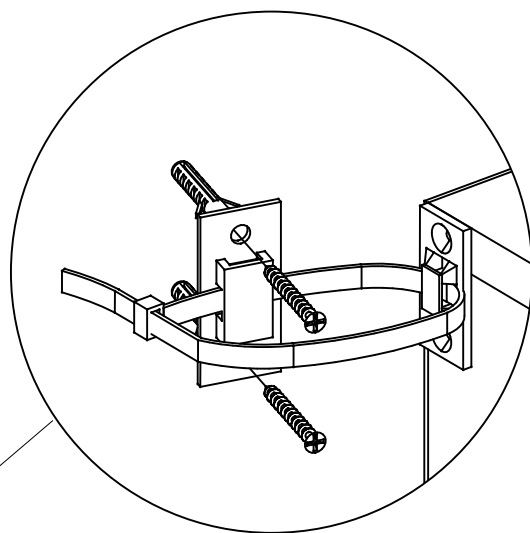

1. Drive the expansion screw into the appropriate position on the wall

2. Use long screws to install one of the plastic buckle seats in the appropriate position on the wall.

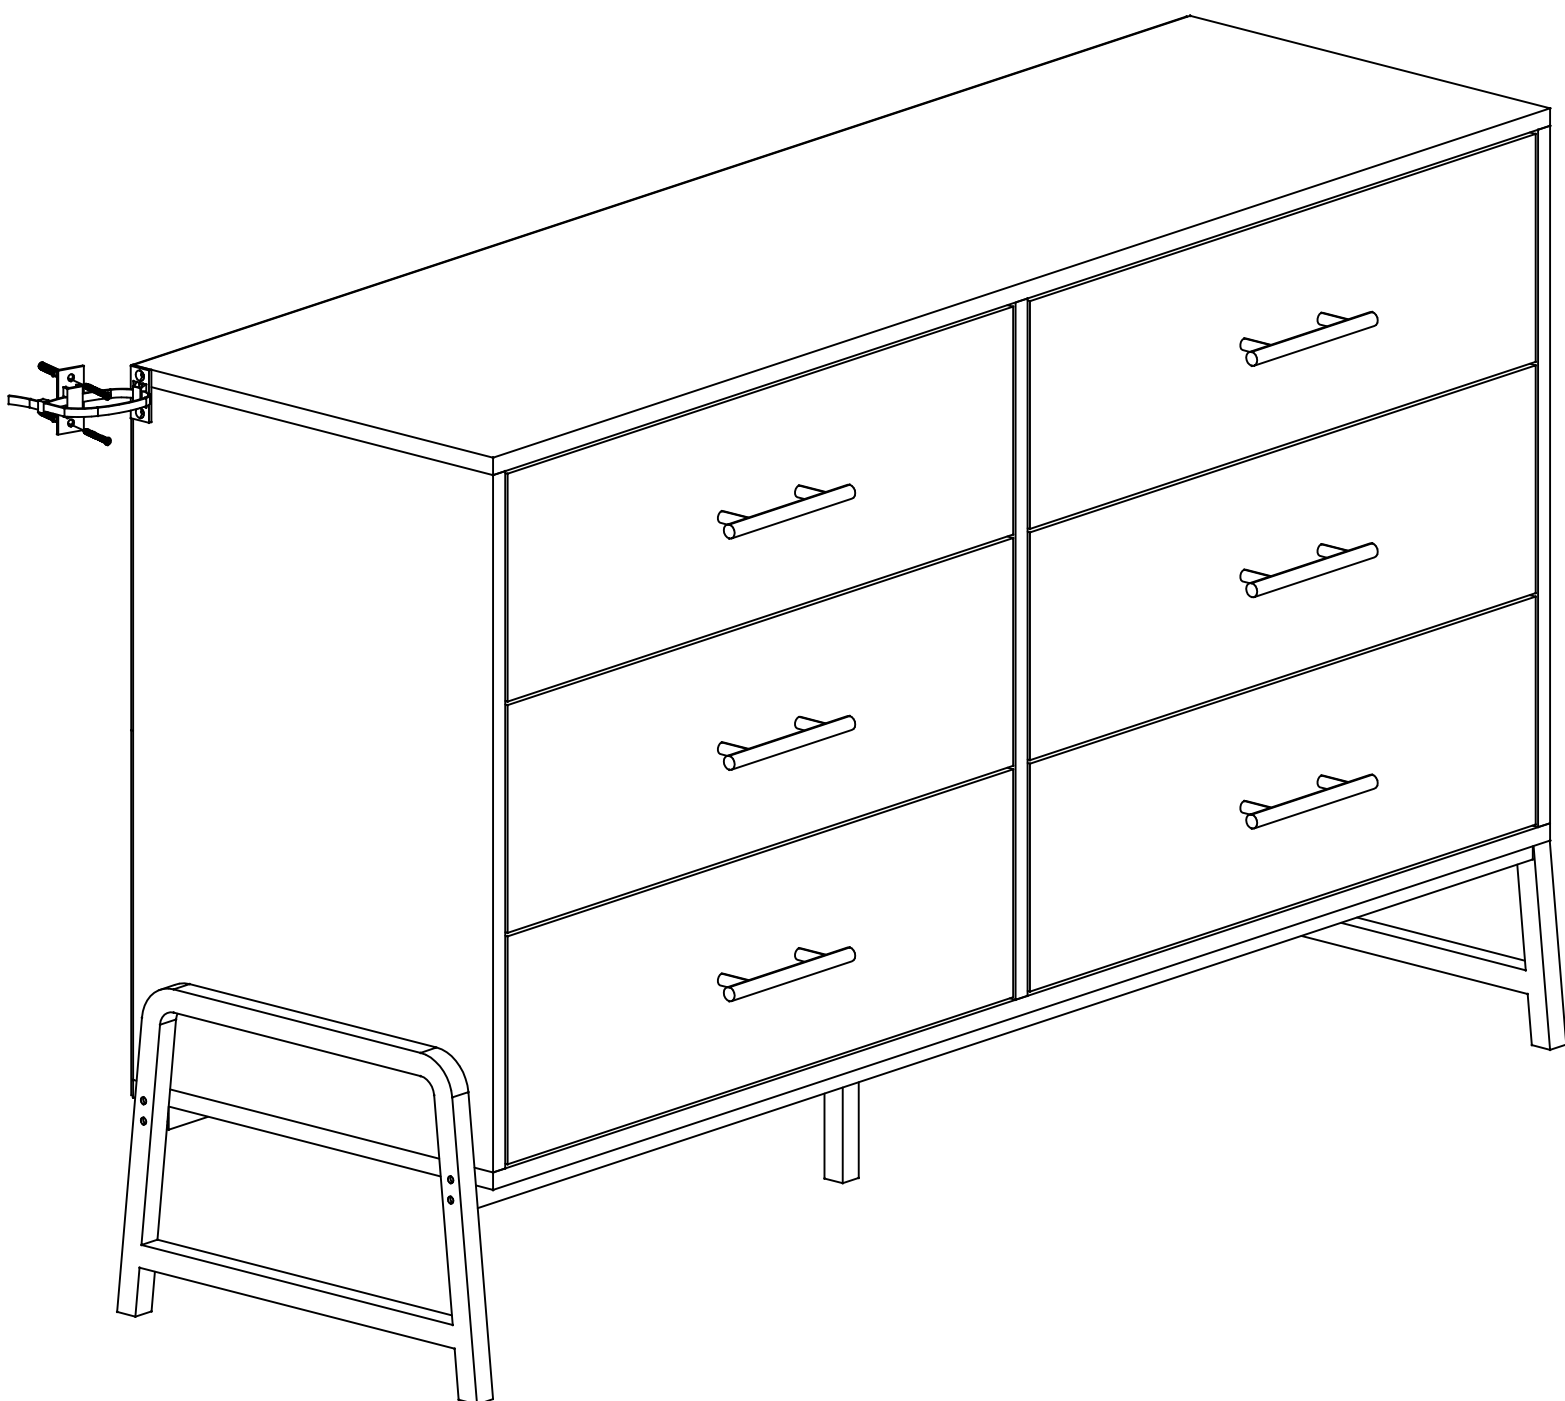

3. Use short screws to install the other plastic buckle in the appropriate position on the cabinet.

4. Push the cable tie through the two plastic buckle seats and pull tight. As shown in the figure.

18

Finished assembly

Dear customer, thank you for purchasing Idealhouse products! We are proud to present our customers with high quality products!

If you have any product quality or use problems, please contact our customer service by email, we will ensure your satisfaction.

If you are satisfied with our products, please share your amazing experience with us and other customers! It would be our honor to hear from you!
