

Ovente Immersion Hand Blender, Black, Red or White (HS560 Series)

Key Features

- POWERFUL** – Equipped with a high-speed 300-Watt motor, it quickly and seamlessly blends ingredients together to make delicious and healthy smoothies, pureed soups, marinades, sauces, juices, and much more.
- ADJUSTABLE SPEED** – It comes equipped with a pulse-activated sensor with 2 blending speeds from Low to High to whip up the perfect texture and consistency with just one touch!
- SLEEK & ERGONOMIC** – It's built with a sleek, ergonomically-designed motor-housing body with a non-slip and easy-to-grip handle that gives you comfortable and sturdy control over the blender.
- HEAVY-DUTY & COMPACT** – Its slim stick immersion shaft is made of 304 grade stainless steel, and was carefully designed to fit almost all mixing bowls, pots, and beakers for your daily needs.
- SUPER EASY TO CLEAN** – The shaft is dishwasher-safe, and the body can easily be cleaned by wiping with a soft, damp cloth. These parts come apart and come back together with ease.
