

Assembly instructions

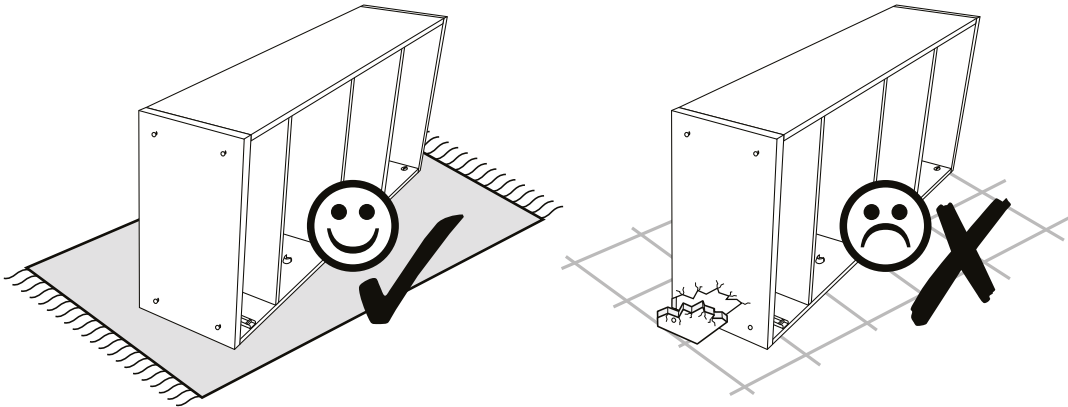

Safety instructions

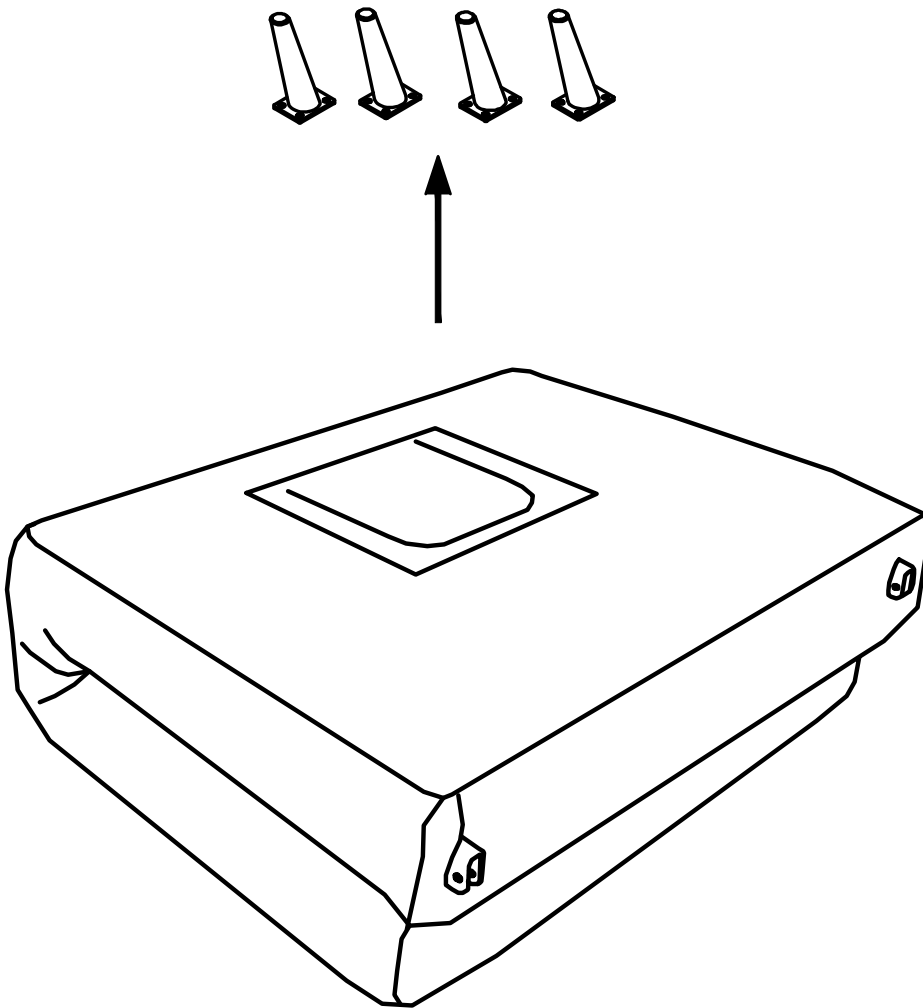

A1	Always follow the instructions of the manufacturer.
A2	Only use the product in indoor spaces.
A3	Risks of damage! When assembling the product, please proceed with caution and comply with the assembly instructions. The product may only be assembled by persons with the necessary knowledge and competence.
A4	Replacing and/or working on the gas shock may only be performed by a trained professional.
A5	To avoid injury and crushing, adjust, fold, open or close the item carefully.
A6	This item is not a toy! Make sure that children do not put any small parts, such as nuts, cover caps or the like, in their mouth. They can swallow them and choke. Do not allow children to play with the packaging either. They can choke on the film or hurt themselves at the outer packaging.
A7	Please only clean with a duster or a damp cloth. Do not use any abrasive cleaners.
A8	Safe use of the item can only be guaranteed if all parts are properly locked in place.
A9	All assembly fastenings should always be tightened properly and care should be taken that no fittings are loose. Regularly check to make sure that all connecting elements are tight.
A10	This article is intended only for private use.
