

INSTRUCTION MANUAL

Jewelry Cabinet

! NOTICE

Please retain these instructions for future reference.

- 1. The product's primary use is as a mirror and storage cabinet.**

Assemble and use the product in accordance with this manual.

- 2. Follow the assembly steps shown in the diagram to position and adjust the parts, then gradually tighten all screws. Do not over tighten.**

- 3. It is recommended that two adults mount the cabinet together.**

Take care to mount the cabinet horizontally and ensure it is firmly on the wall to avoid overturning or falling.

- 4. Open and close the door gently for long-lasting use of the hinges (the widest angle of the door is about 100 degrees)**

- 5. Please put the article on the flat ground and away from sharp and hard objects.**

- 6. For daily care, please clean with a soft and dry cloth. Do not wipe the surface with wet cloth or hard objects.**

- 7. Keep the article away from acidic chemicals, so as not to cause a chemical reaction or discoloration, etc.**

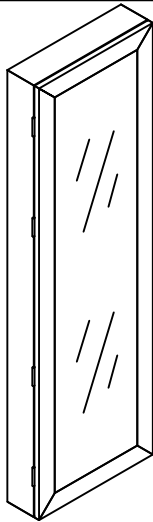

- 8. Keep this product in room with normal temperature. Avoid direct sunlight and do not place next to heat sources, which can cause the deformation, distortion, and even cracking.**

! NOTICE

- 9. The product is not intended for children.**
- 10. Never allow children to climb or play around with the product**
- 11. During the mounting process, keep small objects out of the reach of children.**
- 12. To avoid danger of suffocation, keep the plastic bag away from babies and children.**
