

New Cat Condos

Assembly Instructions

Package contents:

- 1-Base
- 2-Roped Post
- 2-Rectangular Perch
- 1-Hardware Pack (bolt/washer/allen wrench)

Follow these easy steps:

1 In a large, open area, open the box and remove all contents. Take the sisal rope posts and screw it into the left and right holes in the base, rotating in a clockwise direction. Turn posts with 2 hands slowly as tight as possible to correct position. (See figure 1)

2 Take the rectangular perches and set it onto the top of the posts. Take the provided bolt and washer and twist onto the sisal post, tighten with the allen wrench provided. (See figure 2)

****** Keep allen wrench to re-tighten the perch as needed. Place against a wall for added stability.
