Bean Bags

How to Fill Your Bean Bag Cover

Open the zipper on the back of the bean Bean Bag Cover. Keep the bag mouth wide open while filling

Gently push the bean filler bag's mouth into the open Bean bag cover and fill it slowly.

Once the bean bag is filled, gently close the zipper and turn the safety lock.

Now you're ready to sit on it!

The Bean Bag Chair has so many uses. You will love the Bean Bag Chair in your home. It is great for people who are looking for a fun, comfortable place to relax and think. Bean Bag Chairs can be found in nearly every room of our homes today, and they are not just for kids anymore! They are also great for movie watching, reading, playing video games, or working on puzzles... some people even find them therapeutic!

Comfortable, Trendy and Fun

Our Bean Bag Chair Covers are perfect for sprucing up your old bean bag or just fill with beans for a new look. It is a stylish, comfortable, and cozy way to sit back and unwind. The soft polyester fabric and retro Mid-Century Modern trendy designs will jazz up your living room, bedroom, or den. Kick back, relax and envelop yourself in plush comfort at home.

BEAN BAG COVER ONLY

Therapeutic and Beneficial

Because bean bags design ergonomically molds to your body, it helps with back pain. The bag's shape supports your head, back, arms, legs, hips, and shoulders.
