

Model #DV-1WS0322B

Overall Dimension: 22 3/8" L x 14 3/16" W x 5 1/8" H

Features:

- Maximize bathroom space with the floating wall-mounted bathroom sink installation, ideal for smaller bathrooms or spaces that require efficient layout. This design frees up floor space and provides a sleek, modern look while enhancing the overall functionality of your bathroom.
- Crafted from rust- and moisture- proof stainless steel, the black towel rack has a strong load-bearing capacity to provide extra stability for the floating sink, while also conveniently storing towels and other bathroom essentials in an easy-to-access and neatly organized manner.
- Crafted from premium ceramic fired at 2600°F, this bathroom sink provides outstanding durability and features a scratch-proof, non-porous surface that is easy to clean and maintain while retaining its glossy finish and withstanding fading or cracking from everyday use.
- This wall mounted sink is 3 3/8 inches deep, with a rounded curved bottom to effectively prevent water from pooling and meet daily washing needs.
- Adopting a rounded corners design, the small bathroom sink features a streamlined appearance that is both beautiful and safe, reducing the risk of accidental collision. With an adjustable installation height to meet personalized needs, its overflow hole design effectively prevents water overflow, ensuring safe use.
