

Owner Manual

WARRANTY

We strive to offer high quality product and we also try our best to satisfy each customer that order from us, no matter on products or services as needed. Each customer receives a record of their order, such as the order number or item receipt. For any items that are out of warranty period, you may still be able to purchase the replacement parts from our company if they are available.

MAINTENANCE AND WARNING

Before assembling, we recommend:

1. Wear gloves

2. Don't place the privacy screen on a hard surface while assembling

3. Ask for a helping hand

4. The correct use of the screw

PRODUCT DESCRIPTION

Crafted to handle daily sun and rain,
these planters maintain their shape
and finish in standard outdoor
conditions.

Add a touch of industrial elegance
to your patio with a sleek metal
design that complements any
outdoor decor.

Enjoy more time gardening and less
time cleaning with a smooth surface
that wipes down easily and stays
looking fresh.

The solid metal build offers a stable
and secure home for your plants,
standing firm against everyday
outdoor breezes.

Transform your balcony or deck with
a functional yet stylish planter that
brings lasting structure to your
garden layout.
