

WOODEN BUNK BED

Assembly Instructions

Thank you for purchasing this product. Be sure to check all packing material carefully for small parts which may have come loose inside the carton during shipment. Separate, identify, and count all parts and metal hardware. Compare with parts list to be sure all parts are present. If any part(s) are missing or damaged, please contact your local furniture dealer. For efficient and speedy service, please indicate the model number and code letter of part(s) needed.

*** Note: Do not fully tighten screws until fully assembled***
