Notes

1. Please check the dimensions of the product before ordering to ensure it fits your home.
2. Please do not install the light next to the air conditioner or heater, to avoid rusting due to moisture, which will affect the service life of the light. For a safe and secure installation, please ensure that the electrical box to which this fixture will be mounted is properly attached to a structural member of the building.
3. Please make sure that the roof and floor construction is completed and is free of leakage before the installation of the luminaire.
4. Please wear electric insulation gloves (not included) and avoid scratching the surface of the light plate and the electric wire when installing. Please make sure that the power supply has been cut off before installation, and conduct a power test before installation. To ensure your safety, we recommend that two people especially have an electrical license install this ceiling light together.
5. Please use the light within the applicable voltage range and clean the light regularly. Please cut off the power supply when you clean the light, and replace the light bead.
6. All wires are connected. When unpacking, be careful not to pull with wires as a bad connection may result.
7. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before ordering.
