RETURN/DAMAGE CLAIM INSTRUCTIONS:

Please send us photos of the damaged product and packaging. Upon discovering any damage, defects, or missing parts, we will promptly refund you or send a new replacement, except personal reasons. We accept returns within 30 days for sure. If you need to return the product for personal reasons, you will be responsible for the delivery fee and order processing fee (please note that 20% restocking fee due to the invoice price applies). Please retain the original box for the return. Use our return label and is forbidden returning the product without permission.

STEP 1

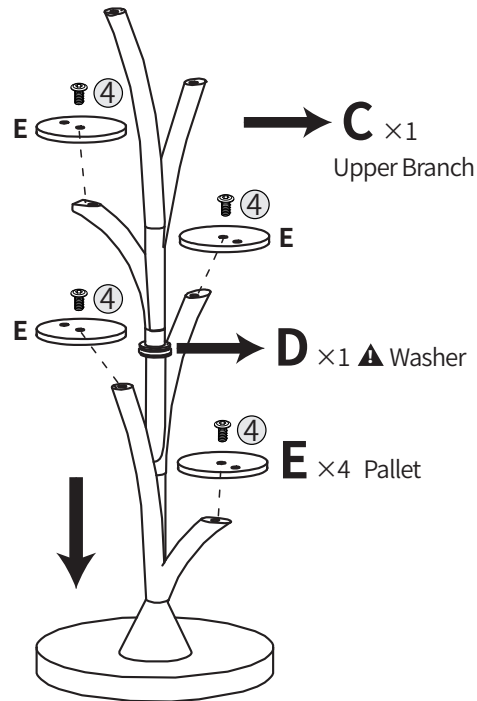

A x1
Base Bracket

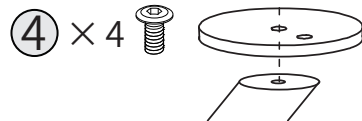

D TIPS

▲ When rotating the upper and lower branches of the cat tree to connect them, **you only need rotate them to 70-80% tightness**, and make sure **not to over-tighten** the washers and screws as this may result in damage to the washers and screws.

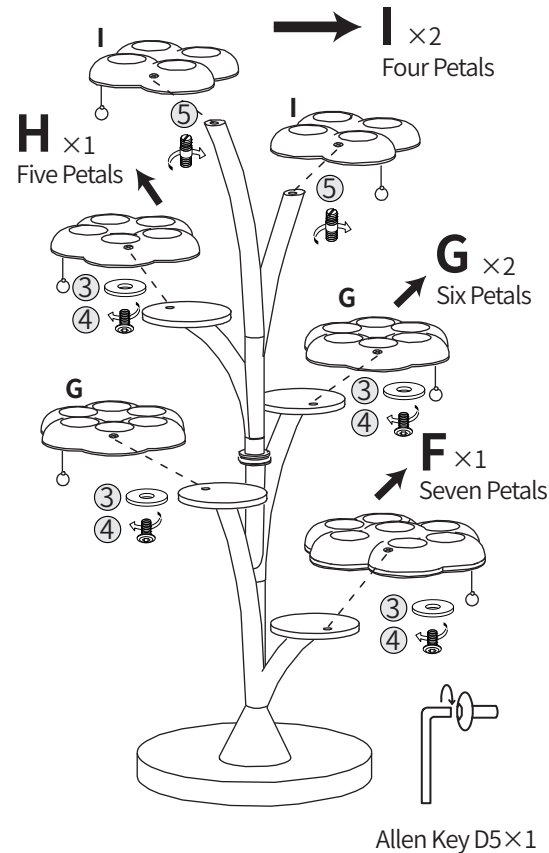

STEP 2

Allen Key D5 x 1

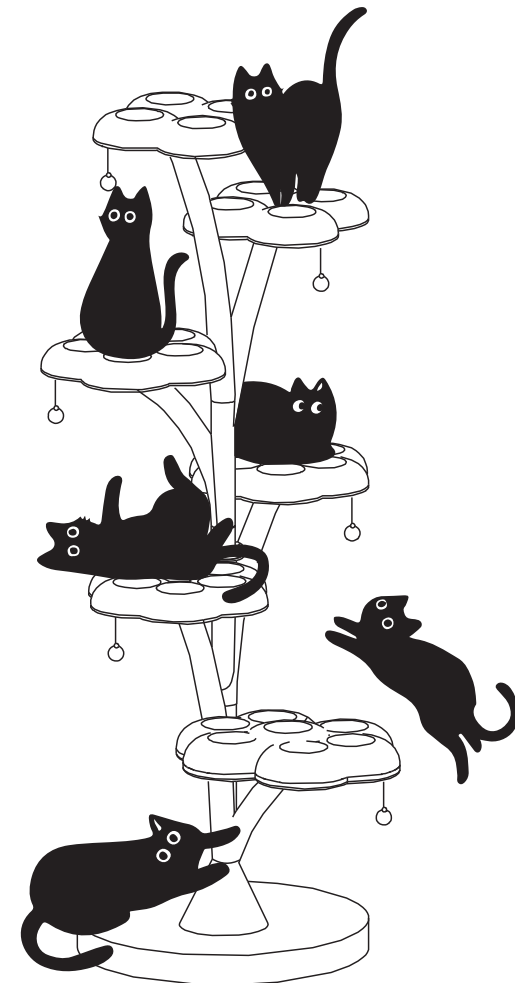

STEP 3

Petals Install TIPS

▲ Petal pallets can be mounted wherever you like, and the lower 4 pallets are designed to rotate off-center. **It's rotatable (not a quality issue) allowing you to adjust the distance of the pallet from the main branch.**

STEP 4

**It's done!
Enjoy Your Time!**
