### How to Install

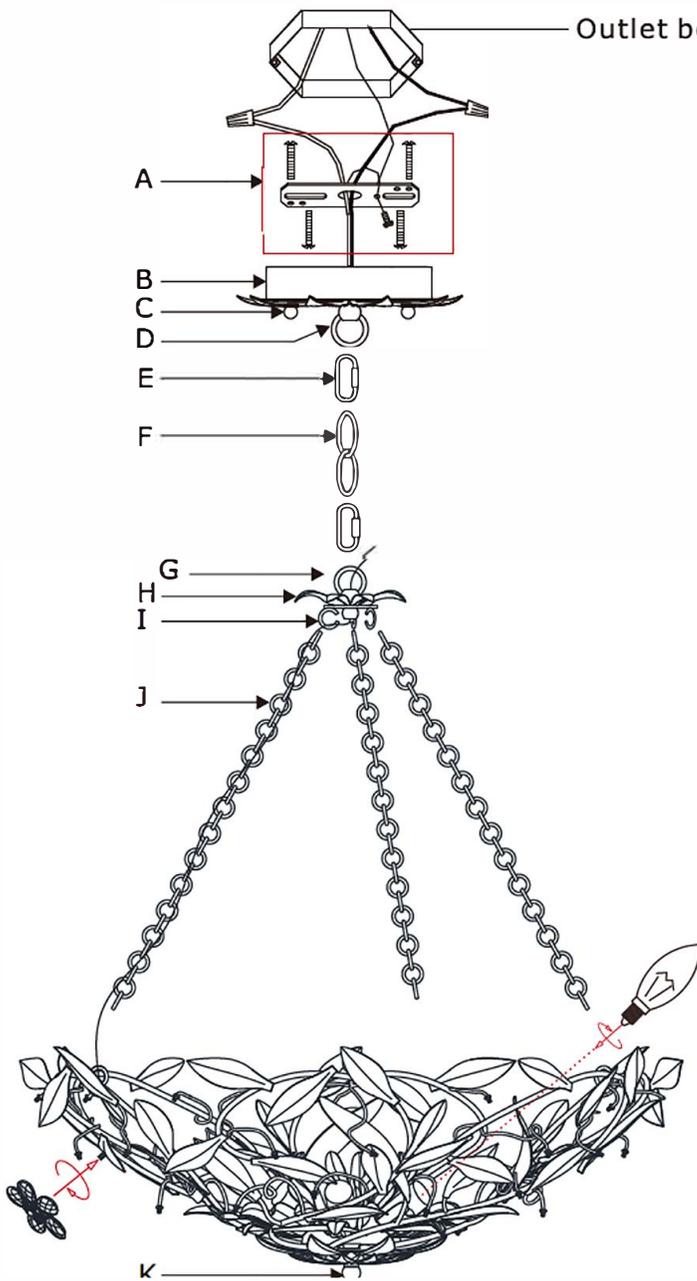

#### For Hanging:

1. Decide the preferred hanging. Choose the correct length of chain needed.
2. Install the mounting bar onto the outlet box.
3. Take one decorative chain. Hang one end onto the hook under the hook kit and hang the other end onto the hook inside the frame. Repeat for the other two decorative chains.
4. Weave the fixture wire through one of the decorative chains and through the canopy.
5. Raise the fixture up onto the ceiling and do the wire connection. Secure the canopy with two ball nuts.

#### For Ceiling:

1. Remove the fixture loop and leaf from the frame. Remove the loop from the canopy.
2. Place the canopy onto the top of hook kit and secure with hex nut.
3. Same step as above # 2,3,4,5.
