

Assembly Instruction

1. Identify all parts packed in carton against the parts list. Remove all protective material carefully and avoid cutting the surface of the furniture while removing the bubble wrap.
2. Put the table top upside down a flat surface. Attach the legs with Big washers and Big lock washers and nuts, don't tighten at this time.
3. Connect the legs with the Center Rings, tighten with Bolts, Small washers, Small lock washers. Progressively tighten all the bolts until secure.
4. Turn the table on its legs, you can adjust foot plugs to level table if needed.
5. You can put the Ice Bucket into the center of table top, then get the Cap on.

Parts	Description	Quantity	Parts	Description	Quantity
	Table top	1		Big Washer	3
	Cap	1		Small Washer	6
	Center Ring	1		Big Lock Washer	3
	Nut	3		Small Lock Washer	6
	Bolt	6		Leg	3
	Ice Bucket	1		Bolt	3

**Warning: Do not force components and over tighten during assembly.
Don't touch the leg when you turn the table top upside down.**
