HEALTH & SAFETY:

DO NOT use this item if any parts are missing, damaged or worn.

DO NOT use this item unless all fixings are secured.

Please keep small parts out of reach of children.

Always use on a level, even surface.

It is recommended that two people handle and assemble the item.

CARE & MAINTENANCE:

Assemble in the room of use.

To avoid damages assemble the item on a soft, clean surface

Periodically check all screws & fixings to ensure they are secure.

DO NOT push the item as this will damage the base.

Always lift the item with two people to reposition.

Keep any sharp objects away from the item.

This product is manufactured in pine which is a wood with natural characteristics including knots, grains, clusters or indentations.

On unpacking the item you may notice an odour due to production processes but this will disappear after a period of time.

DO NOT place the item next to a radiator or direct sunlight – this item is susceptible to temperature change. It is recommended an even room temperature be maintained with no sudden fluctuations.

DO NOT place hot or cold items directly onto the surface of the item as marking will occur

For general cleaning use a duster or damp cloth (almost dry) not wet – do not use soap and water, detergents, aerosol sprays or any polish as use of these materials would invalidate any claims.

DO NOT place the item onto wet or damp flooring as staining may occur to the floor.
